1. Welcome and objectives for the meeting				
<p>The Chair welcomed the Committee members and attendees to the 3rd Guideline Committee meeting on Rehabilitation in adults with complex psychosis.</p> <p>The Guideline Committee members and attendees introduced themselves and their positions or background once more for the benefit of the new member, SO.</p> <p>The Chair informed the Guideline Committee (GC) that apologies had been received. These are noted above.</p> <p>The GC checked and approved the NICE Minutes and Actions & Decisions Log from the 2nd Guideline Committee meeting.</p> <p>The Chair outlined the objectives of the meeting.</p>				
2. Confirmation of matter under discussion, and declarations of interest				
<p>The Chair reiterated the importance of the NICE conflict of interest policy given.</p> <p>The Chair asked everyone to verbally declare any interests. Three new interests were declared by DS, TC and HK.</p>				
Name	Role with NICE	Declarations of Interest, date declared	Type of interest	Decision taken
David Shiers	Committee member	Co-author to a chapter in the following book: Holt, R., Shiers, D., & Peveler, R. (2018). Physical	Direct, non-financial	Declare and Participate Agreed by: GL Oct 2018 Rationale: Specific to

		Health of People with Mental Illness, in L. Gask, T. Kendrick, R. Peveler, & C. Chew-Graham (Eds.), Primary Care Mental Health (Royal College of Psychiatrists, pp. 277-299). Cambridge: Cambridge University Press. (16.10.2018)		guideline but benefit of member's expertise in this topic outweighs a risk of bias.
David Shiers	Committee member	Attended the conference of International Early Psychosis Association IEPA 11th International Conference on Early Intervention in Mental Health in Boston USA, and presented an oral presentation with Dr Jackie Curtis, 'Keeping the body in mind: margins to mainstream'. (16.10.2018)	Direct, non-financial	Declare and Participate Agreed by: GL Oct 2018 Rationale: Not specific to guideline (relates to early psychosis)
David Shiers	Committee member	Co-author to publication: Holt RIG et al (including Shiers D), STEPWISE: structured lifestyle education for people with schizophrenia, schizoaffective disorder and first episode psychosis: randomised controlled trial." <i>BJPsych</i> (2018) Published online	Direct, non-financial	Declare and Participate Agreed by: GL Oct 2018 Rationale: Not specific to guideline (relates to early psychosis)

		https://doi.org/10.1192/bjp.2018.167 (16.10.2018)		
Tom Craig	Committee Member	Invited speaker at Janssen sponsored conference 'Big Questions in Schizophrenia'	Direct, financial	Declare and Participate Agreed by: GL October 2018 Rationale: A very general presentation that did not focus on rehabilitation so not specific to guideline.
Helen Killaspy	Topic Advisor	Presentation at symposium on mental health supported accommodation; improving quality and demonstrating value for housing providers in North of England - Invited keynote speaker. 'Findings from the Quality and Effectiveness of Supported Tenancies (QuEST) study.	Direct, non-financial	Declare and Participate Agreed by: GL Oct 2018 Rationale: Specific to guideline but one-off lecture that will not impact on development of recommendations

The interests register for this guideline has been updated.

3. Protocol 5.5 Discussion

Alec Martin, Systematic Reviewer, presented the revisions made to protocol 5.5: What interventions specific to rehabilitation are effective in improving the engagement of people with complex psychosis and related severe mental health conditions in addressing substance misuse? The amendments were made using the committee's comments from GC2.

The committee discussed and accepted the changes made.

4 – 8. Protocol Discussion

Item 4: Nathan Bromham, Senior Systematic Reviewer, presented protocol 2.1 for discussion: What is the effectiveness of rehabilitation services compared with standard care?

The committee discussed the protocol and made some amendments.

Item 5: Nathan Bromham presented protocol 2.2 for discussion: What is the comparative effectiveness of different types of rehabilitation services?

The committee discussed the protocol and made some amendments.

Item 6: Alec Martin presented protocol 2.3 for discussion: What are the required components of an effective rehabilitation pathway?

The committee discussed the protocol and made some amendments.

Item 7: Alec Martin presented protocol 2.4 for discussion: What are the barriers and facilitators to integrated rehabilitation care pathways involving multiple providers (including health, social care, non-statutory, independent and voluntary services)?

The committee discussed the protocol and made some amendments.

Item 8: Alec Martin presented protocol 6.1 for discussion: what features of supported accommodation and housing promote successful community living in people with complex psychosis and related severe mental health conditions?

The committee discussed the protocol and made some amendments.

9. Service user and carer issues

The Chair asked the lay members and service users whether they had any questions regarding the discussion throughout the day.

10. Evidence Review Discussion

Anuja Pandey, Systematic Reviewer, presented Evidence Review question 1.1: What service user characteristics are associated with successful progress in rehabilitation services for people with complex psychosis and related severe mental health conditions?

Anuja presented the evidence found. The committee discussed this evidence and drafted two recommendations based on this.

11. Resource Impact Assessment
Edgar Masanga, NICE Business Analyst, presented on resource impact assessment and his role in the guideline.
12. Preliminary prioritising of Health Economics topics
Matthew Prettyjohns, Senior Health Economist, presented on the preliminary prioritising of health economic topics on his guideline. The committee discussed which review questions they thought were high priority.
13. Any other Business
There was no other business to discuss. The Chair reminded the GC members of the date of the next meeting

Date of next meeting: 7th December 2018

Location of next meeting: RCOG, London
