1. Welcome, introductions and apologies
--

The chair welcomed the committee members and attendees to the 20th public health advisory committee D (PHAC D) meeting on managing common infections. The committee members and attendees introduced themselves.

The chair informed the committee that apologies had been received as noted above.

The chair outlined the objectives of the meeting, which included:

- discussion and agreement of skin and soft tissue infection review protocols
- discussion of evidence, draft recommendations for guidance on the treatment of pneumonia (hospital-acquired): antimicrobial prescribing
- discussion of evidence, draft recommendations for guidance on the treatment of pneumonia (community-acquired): antimicrobial prescribing

The minutes of the previous meeting were reviewed and agreed.

2. Declaration of interests

The chair asked the committee to declare any new or relevant interests
