

## 1.0.7 DOC EIA

# NATIONAL INSTITUTE FOR HEALTH AND CARE EXCELLENCE

## EQUALITY IMPACT ASSESSMENT

### NATIONAL INSTITUTE FOR HEALTH AND CARE EXCELLENCE

#### NICE guidelines

#### Acute coronary syndromes

The impact on equality has been assessed during guidance development according to the principles of the NICE equality policy.

#### **3.0 Guideline development: before consultation (to be completed by the Developer before consultation on the draft guideline)**

3.1 Have the potential equality issues identified during the scoping process been addressed by the Committee, and, if so, how?

N/A – there were no issues to address.

Issues related to geographical location are beyond the scope of this guideline. Commissioning of services is covered by NHS England specialised commissioning.

3.2 Have any **other** potential equality issues (in addition to those identified during the scoping process) been identified, and, if so, how has the Committee addressed them?

No

## 1.0.7 DOC EIA

3.3 Have the Committee's considerations of equality issues been described in the guideline for consultation, and, if so, where?

N/A

3.4 Do the preliminary recommendations make it more difficult in practice for a specific group to access services compared with other groups? If so, what are the barriers to, or difficulties with, access for the specific group?

No

No

3.5 Is there potential for the preliminary recommendations to have an adverse impact on people with disabilities because of something that is a consequence of the disability?

No

3.6 Are there any recommendations or explanations that the Committee could make to remove or alleviate barriers to, or difficulties with, access to services identified in questions 3.1, 3.2 or 3.3, or otherwise fulfil NICE's obligation to advance equality?

No

## **1.0.7 DOC EIA**
