Declaration of Interests

The effective management of conflicts of interests is an essential element in the development of the guidance and advice that NICE publishes. Please refer to the NICE website for the [Policy on Conflicts of Interest](#).

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken
Christopher Cassidy	Consultant Cardiologist, Blackpool Teaching Hospitals NHS foundation Trust	Consultancy fee and speaker fee from Boston Scientific relating to the subcutaneous defibrillator(July 2017). Declared 13/5/2018	Direct, financial	No action other than process of open declaration
Simon Corbett	Consultant Cardiologist, Wessex Cardiothoracic Centre, University Hospital Southampton NHS Foundation Trust	Member of Guidelines and Practice Committee, British Cardiovascular Society (BCS) (June 2016 onwards) – the committee reviews relevant cardiology practice guidelines (including those from NICE) and advises the BCS membership on their implementation and applicability. Non-pecuniary. Travel expenses paid by BCS as required. Declared 8/11/2017	Direct, non-financial, specific	No action other than process of open declaration

2.0.3 DOC Cmte membership list

Committee membership list – Acute Coronary Syndromes Guideline Committee

Simon Corbett	Consultant Cardiologist, Wessex Cardiothoracic Centre, University Hospital Southampton NHS Foundation Trust	Independent Cardiologist member of Trial Steering Committee for the ongoing AVATAR trial sponsored by Imperial College London and funded by the British Heart Foundation and unrestricted educational grant from Medtronic (2015 onwards). This is a randomised controlled trial of different ablation techniques in atrial fibrillation. Non-pecuniary. Travel expenses paid by Imperial College as required. Declared 8/11/2017	Direct, non-financial, non-specific	No action other than process of open declaration
Simon Corbett	Consultant Cardiologist, Wessex Cardiothoracic Centre, University Hospital Southampton NHS Foundation Trust	Local Investigator (UHSFT), RIPCORD-2 trial. A randomised controlled UK-multi-centre trial evaluating routine 3 vessel-coronary pressure wire measurement vs routine angiographic guidance alone in patients with stable and acute coronary disease. Funded by an unrestricted educational grant from Boston Scientific. Principal Investigator, Prof Nick Curzen (Southampton) Local Investigator (UHSFT), T-Time trial. A randomised placebo-controlled trial of intra-coronary thrombolysis vs placebo in addition to usual primary PCI treatment for acute ST-elevation Myocardial Infarction.	Indirect, financial, non-specific	No action other than process of open declaration

		each study in line with the principles enshrined in Good Clinical Practice. I receive no personal reimbursement for recruiting patients. Declared 8/11/2107		
Neil Swanson	Consultant Cardiologist, James Cook University Hospital	I have occasionally responded to market research surveys that relate to my opinions on the management of some acute chest pain conditions. In a year, I would estimate that this will be under £100. No payments/sponsorship come to me from any industry directly involved in the management of any cardiac conditions. Declared 21/2/2018		No action other than process of open declaration
Neil Swanson	Consultant Cardiologist, James Cook University Hospital	Regarding non-personal financial conflicts, Money is paid to our department from industry for the employment of clinical fellows, but I am not involved in that and do not know how much money is paid. I am not involved in the selection of such trainees. Money is paid to our research department for research trials from a variety of companies which have a commercial interest in the treatments for acute chest pain. None of this money is paid to me/spent by me. Declared 21/2/2018		No action other than process of open declaration
