Agnes Cuyas	Information Specialist, NGC
Jaydeep Sarma	ACS Committee member

1. Welcome and objectives for the meeting
<p>The Chair welcomed the Committee members and attendees to the 11th meeting on acute coronary syndromes.</p> <p>The Chair informed the Committee that apologies had been received. These are noted above.</p> <p>The Chair outlined the objectives of the meeting, which included:</p> <ul style="list-style-type: none"> • Presentation on outcome of re-run literature searches for 2 evidence reviews: <ul style="list-style-type: none"> ○ culprit vessel only vs. multi vessel revascularisation in people with STEMI undergoing primary percutaneous coronary intervention ○ combinations of antiplatelet and anticoagulant therapies for people who have had an ACS and a separate indication for anticoagulation • Presentation on dual antiplatelet therapy: <ul style="list-style-type: none"> ○ Update on network meta-analysis ○ Results of economic modelling • Agree draft recommendations • Agree research recommendations • Next steps
2. Confirmation of matter under discussion, and declarations of interest
<p>The Chair confirmed that, for the purpose of managing conflicts of interest, the matters under discussion were all topics covered by the guideline as all draft recommendations would be discussed.</p>

The Chair asked everyone to verbally declare any interests that have arisen since the last meeting. No new interests were declared.

The Chair and Guideline Lead (ML and BH) reviewed the register of previously declared interests prior to the meeting. The Chair confirmed that the interests previously declared did not prevent any of the attendees from fully participating in the meeting.

3. Minutes of last meeting

The Chair asked the Committee if it wanted any changes made to the minutes of the last meeting. The Committee agreed that the minutes were a true and accurate account of the meeting.

4. Presentation: re-run literature searches

SF gave a presentation on key findings from the re-run literature searches.

5. Presentation: dual antiplatelet therapy

AD and SL gave a presentation on the results of the model and the network meta-analysis.

6. Discussion: draft recommendations

ML led a discussion on the draft recommendations. The committee agreed the draft recommendations for stakeholder consultation.

7. Discussion: research recommendations

ML led a discussion on the research recommendations.

8. Next steps

NP gave an overview of the next steps and deadlines.

9. Any other business

None

Date of next meeting: TBC

Location of next meeting: National Guideline Centre, Royal College of Physicians, London
