

Membership of Multiple Obstetric Guidelines Update Committee

Caesarean birth guideline 2021 (update)

The Committee will operate as an advisory Committee to NICE’s Board, developing a guideline on Multiple Obstetric Updates

The terms of reference and standing orders for the Committee can be found in [appendix D of Developing NICE guidelines: the manual](#).

Variations to the terms of reference:

The Committee has 21 members.

For the 2021 partial update of the Caesarean birth guideline, the committee updated the following sections:

- Benefits and risks of caesarean birth
- Techniques to reduce infectious morbidity
- Prevention and management of hypothermia and shivering
- Techniques for uterine closure
- Monitoring women after caesarean birth
- Pain relief after caesarean birth
