Guideline Committee

**1. Welcome and objectives for the meeting**

JH (acting chair) welcomed the Committee members and attendees to the first meeting of the Chronic pain guideline. The Committee members and attendees introduced themselves. It was noted that the Chair and Pain psychologist positions are currently under recruitment.

JH informed the Committee that apologies had been received. These are noted above.

JH outlined the objectives of the meeting.

**Introductions****2. Confirmation of matter under discussion, and declarations of interest**

JH asked everyone to verbally declare any interests that have arisen since application. The following new interests were received for this committee meeting:

**Committee Declarations of Interest – on application**

N.B. The Committee members were recruited to this guideline using NICE DOI policy published April 2018.

PA	Working in my NHS role I have provided some consultancy to the developers of the Pain Management Plan ( <a href="http://www.pain-management-plan.co.uk">http://www.pain-management-plan.co.uk</a> ) commenting on the content of the book and feedback to the developers of the app. Working in my NHS role I helped with the development of their training materials. My service has provided support to the developers by running service evaluations. The app developers ( <a href="http://pain-sense.co.uk/the-apps/pmp/">http://pain-sense.co.uk/the-apps/pmp/</a> ) have assisted by giving the service some free app licenses and approximately four tablet computers for demonstrating	Direct non-financial specific	Review action with Chair once this protocol is agreed.
