

Interests Register							
Neonatal Infection Advisory Committee				Publication Date: tbc			
Name	Role with NICE	Type of interest	Description of interest	Relevant dates			Comments
				Interest arose	Interest declared	Interest ceased	
Waqar Shah	Chair	None	N/A	N/A	N/A	N/A	No action
Sumiah Al-Azeib	Pharmacist	Direct non-financial professional and personal	Neonatal Paediatric Pharmacist Group member (but not representing)	2011	Apr 2019		Declare and participate
Sumiah Al-Azeib	Pharmacist	Direct, financial (Travel/accommodation only)	Specialist committee member, NICE Quality Standards Advisory Committee – Specialist neonatal respiratory care for babies born preterm.	June 2019	Sept 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Philip Banfield Joined June 2019	Obstetrician	Direct non-financial professional and personal	Obstetric Assessor, UK National Maternal Mortality Confidential Enquiries. Providing an obstetric view in maternal deaths.	2015	Jul 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.

Philip Banfield Joined June 2019	Obstetrician	Direct, financial (expenses only)	British Medical Association UK specialty lead, obstetrics and gynaecology	2017	Jul 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Philip Banfield Joined June 2019	Obstetrician	Direct financial (expenses only)	Presented at Royal College of Obstetricians and Gynaecologists World Congress, Singapore, large scale obstetric emergency simulation for 4th year medical students	2018	Jul 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Philip Banfield Joined June 2019	Obstetrician	Direct financial	Carry out medicolegal work, through preparing medicolegal reports, and appearing as an expert witness related to one case of GBS screening in 2014	Feb 2020	Feb 2020		Declare and participate Not specific to any topic covered in the scope of the guideline – cases taken cover a broad range of neonatal care.
Philip Banfield Joined June 2019	Obstetrician	Direct financial	Director of Obstetrica Ltd – medicolegal work	June 2020	July 2020		Declare and participate Not specific to any topic covered in the scope of the

							guideline – cases taken cover a broad range of neonatal care
Philip Banfield Joined June 2019	Obstetrician	Direct non-financial professional and personal	Works at the same hospital as Co-author of research study: Comparison of the management recommendations of the Kaiser Permanente neonatal early-onset sepsis risk calculator (SRC) with NICE guideline CG149 in infants ≥34 weeks' gestation who developed early-onset sepsis	Aug 2020	Aug 2020		Declare and participate The paper does not meet the inclusion criteria for review but was discussed at GComm9.
Melanie Carpenter	Midwife	Direct non-financial professional and personal	Co-author of a poster presentation for the JENS International Neonatal Conference in Venice (November 2017) on Antibiotic Stewardship from both medical and nursing/midwifery staff perspectives.	Nov 17	Jul 2019		Declare and participate
Melanie Carpenter	Midwife	Direct, financial	Midwifery and neonatal nurse practitioner expert witness (for claimant/defendant/insurer),	Jan 18	Jul 2019		Declare and participate

			until April 2019. Work carried out for Somek & Associates. Also created liability and LSR reports				Cases cover a range of topics. The member has no control over which cases she is asked to be an expert witness in and does not specialise in any particular area
Melanie Carpenter	Midwife	Direct non-financial professional and personal	Member of British Association of Prenatal Medicine Quality Collaborative	Mar 2018	Jul 2019		Declare and participate
Melanie Carpenter	Midwife	Direct, financial	Care Quality Commission, Specialist Advisor for neonates, involved in carrying out hospital inspections for neonatal units	Oct 2018	Jul 2019		Declare and participate Role involves reviewing practice against published standards – role on the committee will not confer any personal advantage
Melanie Carpenter	Midwife	Direct non-financial professional and personal	Member of Neonatal Nurses Association	Jul 2018	Jul 2019		Declare and participate

Mark Davies	Lay member	Direct non-financial professional and personal	Volunteered on an ad-hoc basis for the charity, Group B Strep Support (GBSS). Reviewed the charity's information products and publications, until May 2018	Jan 2016	Apr2019		Declare and participate
Mark Davies	Lay member	Direct, financial (Travel only)	Member of the Patient Lay Committee at the Academy of Medical Royal Colleges. Stood down at the end of June 2020	Oct 2017	Jul 2019	June 2020	Declare and participate Not specific to any topic covered in the scope of the guideline.
Mark Davies	Lay member	Direct, financial	National Institute for Health Research (NIHR), public reviewer of health research funding applications (2 per year).	June 2016	Aug 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Mark Davies	Lay member	Direct, financial	National Institute for Health Research (NIHR), Sub-Panel Public Member, involved in decision-making meetings (2 pa) regarding funding applications, until May 2019	May 2018	Aug 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.

Mark Davies	Lay member	Direct, financial	Lay Representative at Heath Education England involved with on-site clinical reviews of education providers.	June 2019	Aug 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Mark Davies	Lay member	Direct, financial (Travel only)	Vice Chair of the Patient and Lay Group (PLG) at the Royal College of Surgeons of England, until April 2019	Apr 2016	Jul 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Mark Davies	Lay member	Direct, financial (Travel only)	Member of the AoMRC Foundation Programme Committee, reviewing the Foundation Curriculum for newly-qualified doctors. Stood down at the end of June 2020.	Mar 2018	Aug 2019	June 2020	Declare and participate Not specific to any topic covered in the scope of the guideline.
Nicole Gannon	Health Visitor	None	Co-opted committee member (health visitor) for the NICE pelvic floor dysfunction: prevention and non-surgical management guideline update.	November 2020	Nov 2020		Declare and participate

Jim Gray	Microbiologist	Direct non-financial professional and personal	Co-investigator - GBS 2 - Testing strategies for group B streptococci in labouring women in order to help determine which mothers should receive antibiotics during labour to protect the baby from infection study.	Jan 2015	Aug 2018		Declare and participate Declaration does not include any personal financial gain and exclusion would remove the committee's access to relevant expertise in this area
Jim Gray	Microbiologist	Direct non-financial professional and personal	Co-investigator - GBS 3 - Testing strategies for group B streptococci in labouring women in order to help determine which mothers should receive antibiotics during labour to protect the baby from infection study. Publications arising from this grant to date: Walker K, Morris E, Plumb J, Gray J, Thornton JG, Daniel J. Universal testing for group B streptococcus during pregnancy: need for a	Jul 2018 May 2020 (published online Feb 2020)	Aug 2018 July 2020		Declare and participate Declaration does not include any personal financial gain and exclusion would remove the committee's access to relevant expertise in this area Universal screening for Group B streptococci was not considered as part of the guideline

			<p>randomised trial BJOG 2020;127:693.</p> <p>Walker K, Morris E, Plumb J, Gray J, Thornton J, Daniels J. Jim Gray	Microbiologist	Direct, financial	Editor-in-Chief, Journal of Hospital Infection (receive income for this directly from the Healthcare Infection	Dec 2014	Aug 2018		

			Society). One of three editors determining the order of accepted/peer reviewed articles.				
Jim Gray	Microbiologist	Direct non-financial professional and personal	Associate Editor, International Journal of Antimicrobial Agents. Review allocated articles, invite peer reviewers as appropriate. Provide a recommendation on the article to the Editor.	2004/5	Aug 2018		Declare and participate
Jim Gray	Microbiologist	Direct non-financial professional and personal	Associate Editor, Journal of Paediatric Infectious Diseases. Review/edit papers that have been submitted for publication.	2004/5	Aug 2018		Declare and participate
Jim Gray	Microbiologist	Direct non-financial professional and personal	Expert Advisor, British National Formulary for Children. Occasionally asked to provide a clinical opinion on matters such as whether any new national/international guidance needs to be reflected in the BNFC, or whether anti-infective drugs are used at all in children.	2004/5	Aug 2018		Declare and participate

Jim Gray	Microbiologist	Direct non-financial professional and personal	Member, Royal College of Pathologists Credentials Panel, which reviews applications for the certificate of eligibility for specialist registration	2005	Jul 2019		Declare and participate
Jim Gray	Microbiologist	Direct non-financial professional and personal	Member of European Cooperation in Science and Technology AMiCI Working Group	2016	Jul 2019		Declare and participate
Jim Gray	Microbiologist	Direct non-financial professional and personal	Co-investigator - outcome by the type of suture material (COTS) study – NIHR funded	2013	Jul 2019		Declare and participate Declaration does not include any personal financial gain and exclusion would remove the committee's access to relevant expertise in this area
Jim Gray	Microbiologist	Direct non-financial professional and personal	Co-investigator - ANODE: prophylactic antibiotics for the prevention of infection following operative delivery study - NIHR funded	2013	Jul 2019		Declare and participate Declaration does not include any personal financial gain and exclusion would

							remove the committee's access to relevant expertise in this area
Jim Gray	Microbiologist	Direct non-financial professional and personal	Co-investigator – Critical points in the pathway of antibiotic prescribing in a children's hospital: the antibiotic mapping of prescribing (ABMAP) study. Aston University funded	2017	Jul 2019		Declare and participate Declaration does not include any personal financial gain and exclusion would remove the committee's access to relevant expertise in this area
Jim Gray	Microbiologist	Direct non-financial professional and personal	Editor, Infection Prevention in Practice. One of the editors, determining the order of accepted/peer reviewed articles	2019	Jul 2019		Declare and participate
Jim Gray	Microbiologist	Direct non-financial professional and personal	Co-author Antimicrobial-impregnated central venous catheters for prevention of neonatal bloodstream infection (PREVAIL): (not involved in the trial)	Apr 2019	Jul 2019		Partial exclusion – GComm2, Not involved in making recommendations on the clinical and cost effectiveness of intravascular

							catheters impregnated with antibiotics.
Paul Heath Joined March 2019	Paediatrician	Direct non-financial professional and personal	Co-Author, Safety and efficacy of 2% chlorhexidine gluconate aqueous versus 2% chlorhexidine gluconate in 70% isopropyl alcohol for skin disinfection prior to percutaneous central venous catheter insertion in preterm neonates: the ARCTIC randomised-controlled feasibility trial protocol.	2019	Jul 2019		Declare and participate
Paul Heath Joined March 2019	Paediatrician	Direct non-financial professional and personal	Member: Meningitis Research Foundation's Medical Advisory Group	2017	Jul 2019		Declare and participate
Paul Heath Joined March 2019	Paediatrician	Direct non-financial professional and personal	Coordinator of neonIN (neonatal infection surveillance network)	2005	Jul 2019		Declare and participate
Paul Heath	Paediatrician	Direct non-financial professional and personal	Co-Author, Enteral lactoferrin supplementation for very preterm infants: a randomised placebo-	Jan 2019	Jul 2019		Declare and participate

Joined March 2019			controlled trial. ELFIN trial investigators group.				Not specific to any topic covered in the scope of the guideline.
Paul Heath Joined March 2019	Paediatrician	Direct non-financial professional and personal	Co-author, Group B streptococcal disease in UK and Irish infants younger than 90 days, 2014-15: a prospective surveillance study.	Nov 2018	Jul 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Paul Heath Joined March 2019	Paediatrician	Direct non-financial professional and personal	Co-Author Plasma and CSF pharmacokinetics of meropenem in neonates and young infants: results from the NeoMero studies	Apr 2018	Jul 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Paul Heath Joined March 2019	Paediatrician	Direct non-financial professional and personal	Co-Author, Epidemiology and healthcare factors associated with neonatal enterococcal infections	Nov 2018	Jul 2019		Declare and participate Not specific to any topic covered in the

							scope of the guideline.
Paul Heath Joined March 2019	Paediatrician	Direct financial	Carry out medicolegal work, through preparing medicolegal reports, and appearing as an expert witness related to perinatal/neonatal negligence claims. Approx. two cases a year.	2017	August 2019		Declare and participate Cases cover a range of topics and the member has no control over which cases he is asked to cover.
Paul Heath Joined March 2019	Paediatrician	Direct financial	Associated Chief Editor (maternal and neonatal) for the Paediatric Infectious Diseases Journal.	2017	August 2019		Declare and participate Articles published cover the breadth of topics related to maternal and neonatal infections and decisions around publication are subject to independent peer review.
Paul Heath	Paediatrician	Direct non-financial professional and personal	Co-Author, PCR for the detection of pathogens in neonatal early onset sepsis.	Jan 2020	July 2020		Declare and participate Not specific to any topic covered in the

Joined March 2019							scope of the guideline.
Paul Heath Joined March 2019	Paediatrician	Direct non-financial professional and personal	Co-Author, Evaluation of the Coverage of 3 Antibiotic Regimens for Neonatal Sepsis in the Hospital Setting Across Asian Countries.	Feb 2020	July 2020		Declare and participate Relevant to review question 7.1 but did not meet the inclusion criteria for the review.
Paul Heath Joined March 2019	Paediatrician	Direct non-financial professional and personal	Co-Author, Meropenem vs standard of care for treatment of neonatal late onset sepsis (NeoMero1): A randomised controlled trial.	March 2020	July 2020		Declare and participate. Included study for RQ7.1 Declaration does not include any personal financial gain and exclusion would remove the committee's access to relevant expertise in this area
Paul Heath	Paediatrician	Direct non-financial professional and personal	Co-Author, An optimised dosing regimen versus a standard dosing regimen of vancomycin for the treatment of late onset	April 2020	July 2020		Declare and participate. Relevant to review question 7.1 but did

Joined March 2019			sepsis due to Gram-positive microorganisms in neonates and infants aged less than 90 days (NeoVanc): study protocol for a randomised controlled trial.				not meet the inclusion criteria for the review.
Paul Heath Joined March 2019	Paediatrician	Direct, financial (accommodation, travel and expenses)	Co-opted committee member, NICE Meningitis (bacterial) and meningococcal septicaemia: recognition, diagnosis and management (update) guideline.	October 2020	Oct 2020		Declare and participate
Paul Heath Joined March 2019	Paediatrician	Direct non-financial professional and personal	Co-author. C-Reactive Protein, Procalcitonin, and White Blood Count to Rule Out Neonatal Early-onset Sepsis Within 36 Hours: A Secondary Analysis of the Neonatal Procalcitonin Intervention Study.	Sept 2020	Nov 2020		Declare and participate.
Stephanie Jenkins Joined June 2019	GP	None	N/A	N/A	N/A	N/A	No action

Jane Plumb Joined March 2019	lay member	Direct, financial	Chief Executive of Group B Strep Support group (GBSS), paid full time.	Sep 2008	Feb 2019		Declare and participate Funding is non-commercial
Jane Plumb Joined March 2019	lay member	Direct, financial	Royal College of Obstetricians & Gynaecologists Women's Network Vice-Chair, receives an honorarium, and expenses.	Sep 18	Feb 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Jane Plumb Joined March 2019	lay member	Direct non-financial professional and personal	PPI/Trial Management Committee member, for GBS2, a study into the accuracy of a rapid intrapartum test for maternal group B streptococcal colonisation and its potential to reduce antibiotic usage in mothers with risk factors. Award start 1 May 2016, award end 31 October 2019. Funding provided by NIHR HTA.	May 2016	Feb 2019		Declare and participate
Jane Plumb Joined	lay member	Indirect financial professional and personal	Lay member on iGBS trial committee, a study to help develop a vaccine against Group B Streptococcus infection in newborn babies.	Dec 2017	Feb 2019		Declare and participate

March 2019			Award start 1 June 2018, award end 1 December 2018, extension sought. Funding provided by NIHR HTA				
Jane Plumb Joined March 2019	lay member	Direct non-financial professional and personal	Member of the Pregnancy & Baby Charity Network	1998	Jul 2019		Declare and participate
Jane Plumb Joined March 2019	lay member	Direct, financial (expenses only)	Member of Patient Organisation for Consent, Evaluation of the Guidelines for Informed Consent	Aug 2017	Jul 2019	Feb 2019	Declare and participate Not specific to any topic covered in the scope of the guideline.
Jane Plumb Joined March 2019	lay member	Direct, financial (expenses only)	Member of scientific committee for 2018's International Symposium on 'Streptococcus agalactiae' Disease (ISSAD).	May 2017	Jul 2019	Jun 2018	Declare and participate Not specific to any topic covered in the scope of the guideline.
Jane Plumb Joined March 2019	lay member	Direct, financial (expenses only)	Attended Immunization for All Summit June 2019, Washington. Event organised by Pfizer,	Jul 2019			Declare and participate Not specific to any topic covered in the

							scope of the guideline.
Jane Plumb Joined March 2019	lay member	Indirect financial	<p>Co applicant/co PPI lead on GBS3, the clinical and cost effectiveness of screening for group B Streptococcus in pregnancy: a cluster randomised trial with economic and acceptability evaluations, funding provided by NIHR HTA Publications arising out of this are:</p> <p>Co-Author; Walker K, Morris E, Plumb J, Gray J, Thornton JG, Daniel J. Universal testing for group B streptococcus during pregnancy: need for a randomised trial BJOG 2020;127:693</p> <p>Walker K, Morris E, Plumb J, Gray J, Thornton J, Daniels J. Uncertainties: Should all women be offered testing for group B streptococcus in late pregnancy? And if so, what test should be performed? BJOG.</p>	Submitted for publication	July 2020		<p>Declare and participate.</p> <p>Universal screening for Group B streptococci was not considered as part of the guideline update and the paper was not included in any of the evidence reviews.</p>
Jane Plumb Joined March 2019	lay member	Direct non-financial professional and personal	Provided a quote on behalf of Group B Strep Support, for a BBC article on group B screening in pregnancy.	Dec 2019	Dec 2019		<p>Declare and participate</p> <p>The quote did not represent a conflict of interest.</p>

Jane Plumb Joined March 2019	lay member	Direct non-financial professional and personal	Appointed to the role of trustee for the Confederation of Meningitis Organisations (an international charity).	February 2020			Declare and participate
Jane Plumb Joined March 2019	lay member	Direct non-financial professional and personal	Co-Author, Group B streptococcal disease in the mother and newborn—A review (European Journal of Obstetrics & Gynecology and Reproductive Biology)	June 2020	July 2020		Declare and participate Not specific to any topic covered in the scope of the guideline.
Jane Plumb	lay member	Direct non-financial professional and personal	Author of article e-published for the RCM's Midwives magazine "The enemy within"	July 2020	July 2020		Declare and participate RQ2.1 referred to but no personal stance expressed.
Jane Plumb	lay member	Direct non-financial professional and personal	Author of e-published blog for the Institute of Health Visitors "July is Strep B voices month"	July 2020	July 2020		Declare and participate RQ2.1 referred to but general in content.
Jane Plumb	lay member	Direct non-financial professional and personal	Author of e-published blog for The Practising Midwife	July 2020	July 2020		Declare and participate

							RQ2.1 referred to but general in content.
Jane Plumb	lay member	Direct non-financial professional and personal	Co-author of Impact of late-onset group B streptococcus infection on families: An observational study	November 2020	Nov 2020		Declare and participate RQ2.1 referred to but no personal stance expressed.
Aung Soe	Neonatologist	Direct, financial	Provide opinions on causation of perinatal mortality and morbidity cases to solicitors acting mainly for defendants via NHS Resolution.	Oct 2016	Aug 2018		Declare and participate Not specific to any topic covered in the scope of the guideline.
Aung Soe	Neonatologist	Direct, financial	Provide private outpatients practice at Spire Alexandra Hospital, Chatham, Kent (age 0-16). Private work mirrors NHS work, 1 to 2 sessions per month.	Oct 2017	Aug 2018		Declare and participate Private practice in this area is a small proportion of the individual's overall practice and mirrors their NHS work. Based on the need for the committee member's expertise and a view that the potential for gain is

							minimal, in this instance NICE has confirmed that the individual can continue to participate fully.
Aung Soe	Neonatologist	Direct, financial	Received payment from AbbVie for lecturing on RSV Bronchiolitis speaker training day.	Apr 2018	Aug 2018	16.04.2018	Declare and participate Not specific to any topic covered in the scope of the guideline.
Aung Soe	Neonatologist	Direct non-financial professional and personal	Committee member on the Royal College of Obstetricians and Gynaecologists development of Scientific advisory committee.	Feb 2014	Aug 2018		Declare and participate Not specific to any topic covered in the scope of the guideline.
Aung Soe	Neonatologist	Direct, financial (expenses only)	Member, NICE, Intrapartum Care, High Risk Obstetrics Guideline committee. Guideline published April 2019	Oct 2016	Aug 2018		Not specific to any topic covered in the scope of the guideline.
Aung Soe	Neonatologist	Direct, financial	Clinical Co-Chair in Kent and Medway Local Maternity System	May 2018	Aug 2018		Declare and participate

							Not specific to any topic covered in the scope of the guideline
Aung Soe	Neonatologist	Direct, financial (expenses only)	Topic Expert, NICE Specialist Neonatal Respiratory Care Guideline committee	May 2018	Aug 2018		Declare and participate Not specific to any topic covered in the scope of the guideline.
Aung Soe	Neonatologist	Direct non-financial professional and personal	External Adviser, NICE Accreditation	2014	Aug 2018		Declare and participate Not specific to any topic covered in the scope of the guideline.
Aung Soe	Neonatologist	Direct, financial (expenses only)	Clinical Lead, South East Neonatal ODN neonatal network	Nov 2017	Aug 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Aung Soe	Neonatologist	Direct non-financial professional and personal	Topic Expert, NICE Specialist Neonatal Respiratory Care Guideline committee	2014	Aug 2018		Declare and participate

Aung Soe	Neonatologist	Direct, financial (expenses only)	Guideline selection and appraisal Lead on Royal College of Paediatrics and Child Health Quality Improvement Committee.	2016	Jul 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Aung Soe	Neonatologist	Direct, financial (expenses only)	Neonatal Member, NPEU-RCM UK Midwifery Study System, Steering Group	2016	Jul 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Aung Soe	Neonatologist	Indirect financial	Principal investigator for the ARCTIC study, looking at the efficacy and safety of two topical antiseptic solutions for skin disinfection prior to percutaneous central venous catheter insertion in preterm neonates: a feasibility study	2016	Aug 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Aung Soe	Neonatologist	Direct, financial	Received payment from AbbVie for lecturing on Bronchopulmonary Dysplasia and Respiratory Syncytial Virus infection Webinar	July 2020	Sept 2020		Declare and participate Not specific to any topic covered in the scope of the guideline.

Richard Tubman	Neonatologist	Direct, financial (travel only)	Assessor, START assessments, RCPCH. Guide trainees as they prepare for completion of training and practice as a new consultant paediatrician.	Apr 2005	Aug 2018		Declare and participate Not specific to any topic covered in the scope of the guideline.
Richard Tubman	Neonatologist	Direct non-financial professional and personal	Trustee, Northern Ireland Perinatal Trust (charity). The charity purchases equipment and provides training for the neonatal unit at the Royal Maternity Hospital Belfast, and funds research by providing top-up funding for consumables or short-term staff salaries.	Jan 2005	Aug 2018		Declare and participate Not specific to any topic covered in the scope of the guideline.
Richard Tubman	Neonatologist	Direct, financial	Carry out medicolegal work, through preparing medicolegal reports, and appearing as an expert witness related to perinatal/neonatal negligence claims. Two to four cases a year.	Jun 2002	Aug 2018		Declare and participate Cases cover a range of topics and the member has no control over which cases he is asked to cover.
Richard Tubman	Neonatologist	Direct, financial (travel and	Consultant volunteer for the charity Newborns Vietnam.	Jan 2018	Jan 2019		Declare and participate

		accommodation only)	Teaching and advice provision.				Not specific to any topic covered in the scope of the guideline.
Richard Tubman	Neonatologist	Direct, financial (accommodation, travel and expenses)	Committee member, NICE Twin and triplet pregnancy (update) guideline committee member.	Nov 2017	Jan 2019	Sept 2019	Declare and participate Not specific to any topic covered in the scope of the guideline.
Richard Tubman	Neonatologist	Direct, financial	General Medical Council Education Associate.	Apr 2010	Jan 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Richard Tubman	Neonatologist	Direct, financial	General Medical Council Enhanced Monitoring Associate.	Dec 2015	Jan 2019		Declare and participate Not specific to any topic covered in the scope of the guideline.
Richard Tubman	Neonatologist	Direct, financial (accommodation, travel and expenses)	Co-opted committee member, NICE Meningitis (bacterial) and meningococcal septicaemia:	October 2020	Oct 2020		Declare and participate Not specific to any topic covered in the

			recognition, diagnosis and management (update) guideline.				scope of the guideline update.
