### **1. Welcome, objectives for the meeting**

The Chair welcomed the Committee members and attendees to the 15th guideline committee meeting on Rehabilitation after traumatic injury. The Committee members and attendees introduced themselves.

The Chair informed the Committee that apologies had been received as noted above.

### **2. Confirmation of matter under discussion, and declarations of interest**

The Chair confirmed that for the purpose of managing conflicts of interest, the matter under discussion was Rehabilitation after traumatic injury. The Chair asked everyone to verbally declare any interests that have risen since the last meeting. Two new interest were declared.

The Chair outlined the objectives of the meeting.

### **3. Minutes of the last meeting**

The Chair asked the committee to confirm the minutes of the last meeting. The minutes were agreed as accurate, no further amendments required.

### **4. Morning presentations**

The Chair introduced Lisa Boardman, NGA Guideline lead who outlined and discussed briefly the aims of the day.

Lisa provided information on inviting an expert witness to present expert testimony to the committee about specific areas where there were gaps in the evidence and the committee discussed who they would like to invite.

Eric Slade, NGA Senior Health Economist presented evidence for review questions 2.4a and 2.4b.

*For adults with complex rehabilitation needs after traumatic injury what rehabilitation interventions relating to participation in society are effective and acceptable?*

And

*What rehabilitation interventions relating to participation in society (e.g., return to nursery, education, training or work) are effective and acceptable for children and young people with complex rehabilitation needs after traumatic injury?*

The Guideline lead shared some early draft recommendations based on work of the topic group. Live updates were made based on discussion with the committee and the committee agreed the recommendations as well as notes about the reasons for their decisions

### **5. Afternoon presentations**

Alice Navein, NGA Systematic Reviewer presented evidence for review questions 4.2a and 4.2b.

*What are the best methods to deliver and coordinate rehabilitation services and social services for adults with complex rehabilitation needs after traumatic injury when they transfer from inpatient to outpatient rehabilitation services?*
