|----------------------|------------|-------------------|--|------|--------------|---------|--|

The Chair thanked the committee.

**Item 2**

The Chair introduced Omnia Abdulrazeg (OA), Technical Analyst in the Guideline Updates Team:

- OA presented examples to the committee of both quantitative and qualitative evidence reviews.
- The committee were given the opportunity to ask questions.

The Chair thanked OA for her presentation and the committee for their input.

**Items 3 & 4**

The Chair introduced Omnia Abdulrazeg, Technical Analyst and Marie Harrisingh (MH), Senior Technical Analyst OA who presented:

- Qualitative and quantitative evidence from review question 1 - identification and recording of a person's vaccination eligibility and status.
- Evidence from the existing NICE flu vaccination (NG103) guideline was also discussed in this context.
- The committee discussed the evidence and made draft recommendations as appropriate.

The Chair thanked the committee for their input and MH and OA for their presentations.

**Item 5**

The Chair introduced Joshua Pink, Health Economics Technical Adviser at NICE:

- JP presented areas of the guideline for health economic analysis and previous relevant analysis.
- The committee were given the opportunity to ask questions and discuss this.

The Chair thanked JP for his presentation and the committee for their contribution.

#### **Item 6**

The Chair introduced Steve Sharp, Technical Analyst:

- SSh updated the group on progress for evidence review RQ2.1 - barriers to and facilitators for increasing the uptake of routine vaccines.
- The committee discussed this and asked questions.

The Chair thanked SSh for his presentation.

#### **Item 7**

The Chair asked if there was any other business and thanked the committee for their time and contribution to the meeting.

**Date of next meeting:** 13th March 2020

**Location of next meeting:** NICE Offices, London
