<b>1. Welcome, apologies, introductions and objectives</b>
<p>The Chair welcomed the Committee members, NICE team and public observers to the fourth meeting on Reducing Sexually Transmitted Infections before asking those present to introduce themselves.</p> <p>The Chair informed the Committee that apologies had been received. These are noted above.</p> <p>The Chair outlined the objectives of the meeting which were to hear the evidence identified for some of the population groups within Review Question 1.1 and to draft recommendations for these groups.</p>
<b>2. Confirmation of matter under discussion, and declarations of interest</b>
<p>The Chair confirmed the matter under discussion and asked everyone to verbally declare any new conflicts of interest. The following interests were declared:</p> <p>The Chair and a senior member of the Developer's team noted the declarations declared nor those previously declared did not prevent the attendees from fully participating in the meeting.</p>
<b>3. Minutes from the previous meeting</b>
<p>The minutes of the previous meeting were accepted as an accurate record.</p>
<b>4. Evidence review presentation for Review Question 1.1 What interventions designed to reduce the acquisition and transmission of STIs, including HIV, are effective and cost effective at preventing STIs in:</b>
<ul style="list-style-type: none"><li>- Young people age 16 to 24 years</li><li>- Trans people</li></ul>
