1. Welcome, apologies, introductions and objectives			
<p>The Chair welcomed the committee members and attendees to the ninth meeting on Reducing Sexually Transmitted Infections before asking those present to introduce themselves.</p> <p>The Chair informed the committee that apologies had been received. These are noted above.</p> <p>The Chair outlined the objectives of the meeting which were to hear the remaining evidence identified for Review Question 1.1 and to draft recommendations for this question.</p>			
2. Confirmation of matter under discussion, and declarations of interest			
<p>The Chair confirmed the matter under discussion and asked everyone to verbally declare any new conflicts of interest. The following interests were declared:</p>			
Attendee	Declaration	Classification	Action
PJ	Working two sessions per week for a pilot clinic called Indigo providing assessment and medical management for gender diverse people on the waiting list for Gender Identity Care in Greater Manchester	Direct – non-financial professional and personal	Declare and participate in discussion
EC	Attended advisory board for ViiV on development of a study examining implementation of injectable treatment for HIV	Financial interest	Declare and participate in discussion
EC	Paper in press with STI journal – “Sexually transmitted infection (STI) research priority-setting: a two-stage study including the perspectives of	Direct – non-financial professional	Declare and participate in discussion

	patients, the public, clinicians and stakeholders”	and personal	
<p>The Chair and a senior member of the Developer’s team noted the declarations declared nor those previously declared did not prevent the attendees from fully participating in the meeting.</p>			
<p>3. Minutes from the previous meeting</p>			
<p>The minutes of the previous meeting were accepted as an accurate record.</p>			
<p>4. Re-cap of guideline development to date and remaining sections to complete</p>			
<p>The Chair introduced Chris Carmona, Technical Adviser who provided a guideline development update to the committee.</p>			
<p>5. Evidence review presentation for Review Question 1.1 - What interventions designed to reduce the acquisition and transmission of STIs, including HIV, are effective and cost effective at preventing STIs</p>			
<p>The Chair introduced Hannah Stockton, Technical Analyst who presented the remaining evidence identified for Review Question 1.1 for the committee’s consideration.</p>			
<p>6. Committee discussion and draft recommendations</p>			
<p>The committee considered the evidence presented to them and drafted recommendations as appropriate.</p>			
<p>7. Summary of the day and next steps</p>			
<p>The Chair summarised the discussion from the day, thanked those present for their contributions and confirmed that meeting 10 will continue the following day, 29 June 2021.</p>
