

# Depression in adults: treatment and management

## Chapter 16 References

*Clinical Guideline <...>*

*Methods, evidence and recommendations*

*18 July 2017*

*Draft for Consultation*

*Developed by the National Guideline  
Alliance, hosted by the Royal College of  
Obstetricians and Gynaecologists*

**Disclaimer**

Healthcare professionals are expected to take NICE clinical guidelines fully into account when exercising their clinical judgement. However, the guidance does not override the responsibility of healthcare professionals to make decisions appropriate to the circumstances of each patient, in consultation with the patient and/or their guardian or carer.
