The Chair asked those present to introduce themselves. The Chair informed the Committee that apologies had been received, these are noted above.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed the matter under discussion and asked everyone to verbally declare any new conflicts of interest. No new interests were declared.

The Chair advised that due to a previously declared interest, Michael Wigelsworth is excluded from finalising recommendations on the 'Tools and techniques' of section 1.3 and 'Targeted SEMW support' of section 1.4 of the guideline, though he may participate in discussions. It was advised interests previously declared did not prevent other attendees from fully participating in the meeting.
