1. Welcome and objectives for the meeting

The Chair welcomed the committee members and attendees to GC 8 on Osteoarthritis: assessment and management.

There were no apologies from the committee only one from the technical team, which has been noted above.

The Chair outlined the objectives of the meeting, which included:

- Reviewing the evidence review and drafting recommendations for;
 - Acupuncture
- Protocol development, specifically
 - Imaging in the management Osteoarthritis
 - Follow up
- Health economics and a summary of the pharmacological evidence

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was in relation to Imaging, Acupuncture and Follow up.

The Chair asked everyone to verbally declare any interests that have arisen since the last meeting. Those who joined later were also asked to declare any interests that may have arisen since the last meeting.

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken

The Chair and Guideline Lead noted that the interests declared did not prevent the attendees from fully participating in the meeting.

3. Minutes of last meeting

The Chair asked the Committee if it wanted any changes made to the draft minutes of the last meeting. The Committee agreed that the minutes were a true and accurate account of the meeting.

4. Protocols, committee discussions and evidence reviews

George Wood presented the evidence for the Acupuncture evidence review. The Committee discussed and drafted recommendations which are highlighted in the committee discussions.

George Wood discussed the imaging in the management of Osteoarthritis protocol and the summary on the pharmacological evidence

Muskit Rahman presented the health economic evidence

Julie Nielsen discussed the protocol for follow up, and live edits to the protocol were made on the day.

5. Any other business

None.
