

GDG membership list

Group membership list – Menopause Guideline Development Group

- **Principle** – to document the membership of a guideline Committee and DOIs (to be uploaded as soon as the Committee is appointed; and updated at Scope Consultation; Guideline Consultation; and final publication)
- **Links to include** – none
- **Attachments to include** – none
- **Info to include** – guideline title; member name, title, organisation; matter under discussion and DOI

for
Excellence

Membership of the Menopause Guideline Development Group

The Guideline Development Group will operate as an advisory Group to NICE's Board, developing a guideline on menopause.

The terms of reference and standing orders for the Group can be found in [appendix D of Developing NICE guidelines: the manual](#).
