1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the third meeting on Barrett's oesophagus.

The Chair informed the Committee that apologies had been received. These are noted above.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matters under discussion were pharmacological interventions, non-endoscopic surveillance, frequency and duration of endoscopic surveillance techniques, frequency and surveillance of non-endoscopic techniques and staging techniques.

The Chair asked everyone to verbally declare any new interests.

The Chair and a senior member of the Developer's team noted that the following members would not participate in a part of the meeting:

- John Primrose is unable to participate in discussion of pharmacological interventions protocol.

3. Health Economic Prioritisation

The Chair introduced Muksitur Rahman, who presented the results of the Health Economic prioritisation survey.

4. Draft protocols

VB led discussion on the following draft protocols:

- Pharmacological interventions [this protocol discussion was chaired by Massimiliano DiPietro (Topic Adviser) in John Primrose's absence]
- Non-endoscopic surveillance
- Frequency and duration of endoscopic surveillance techniques
- Frequency and duration of non-endoscopic surveillance techniques
