Apologies:

Sophie Nelson	Committee member
---------------	------------------

1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the sixth meeting on Barrett's oesophagus.

The Chair informed the Committee that apologies had been received. These are noted above.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matters under discussion were pharmacological interventions and non-endoscopic surveillance.

The Chair asked everyone to verbally declare any new interests.

The Chair and a senior member of the Developer's team noted that the following members would not participate in a part of the meeting:

John Primrose is unable to participate in discussion of pharmacological interventions evidence review.

Nigel Trudgill is unable to participate in discussion of pharmacological interventions evidence review.

3. Evidence reviews

MQ, MV and MR presented the following evidence reviews to the committee:

- 1.1 Pharmacological interventions [JP and NT withdrew from this discussion and MD chaired this section]
- 2.2a Non-endoscopic surveillance

4.0.03 DOC Cmte minutes

- 2.2b Non-endoscopic surveillance diagnostic accuracy

The committee discussed the evidence and made draft recommendations on all reviews.

4. CDEs

MV presented the following CDEs to the committee for their edits and revisions:

- 5.1 Oesophagectomy
- 5.2 Non-surgical interventions for stage 1 adenocarcinoma
- 2.1 Frequency and duration of endoscopic techniques

6. Any other business

None.

Date of next meeting: 04/03/2022

Location of next meeting: Virtual meeting
