Melina Vasileiou	NGC Senior Research Fellow	(Present for notes 1-5)
Maheen Qureshi	NGC Research Fellow	(Present for notes 1-5)

Apologies:	
Tom Crosby	Committee member

1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the seventh meeting on Barrett's oesophagus.

The Chair informed the Committee that apologies had been received. These are noted above.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matters under discussion were diagnostic accuracy of staging techniques, endoscopic and radiological follow up, endoscopic surveillance and pharmacological interventions.

The Chair asked everyone to verbally declare any new interests.

The Chair and a senior member of the Developer's team noted that the following members would not participate in a part of the meeting:

Massimiliano DiPietro is unable to participate in discussion of endoscopic surveillance diagnostic evidence review.

3. Evidence reviews

MQ, MV and MR presented the following evidence reviews to the committee:

- 3.1a Diagnostic accuracy of staging techniques
- 3.1b Diagnostic accuracy of staging techniques RCT
- 7.1 Endoscopic and radiological follow up
- 7.2 Optimal frequency of endoscopic and radiological follow up
- 2.2b Endoscopic surveillance diagnostic (MD withdrew from this discussion)

The committee discussed the evidence and made draft recommendations on all reviews.

4. CDEs

MV presented the following CDEs to the committee for their edits and revisions:

- 1.1 Pharmacological interventions

5. Any other business

None.

Date of next meeting: 13/04/2022

Location of next meeting: Virtual meeting
