1. Welcome and objectives for the meeting

The Chair welcomed the committee members and attendees to the 19th meeting on multiple obstetric guidelines update.

The Chair informed the committee that apologies were received and noted above.

The Chair outlined the objectives of the meeting, which included reviewing guideline protocols and evidence.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matters under discussion were multiple obstetric topics including Intrapartum care (IPC).

The Chair asked everyone to verbally declare any interests that have risen since the last meeting. New interests were declared and noted below.

| Name | Role | Type of interest | Description of interest | Relevant dates | | | Comments |
|----------------|-------|-----------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|-------------------|-----------------|--------------------------------------------------------------------------------------------------------------------------------------|
| | | | | Interest arose | Interest declared | Interest ceased | |
| Sarah Fishburn | Chair | Direct, personal and professional | Co-author of article: characterising and monitoring preconception health in England: a review of national population-level indicators and core data sources: Schoenaker et al, published in Journal of Developmental Origins of Health and Disease | 04/06/2021 | 05/07/2021 | 04/06/2021 | Declare and participate Agreed by: GL July 2021 Rationale: About preconception health so not specific to the guideline |

The Chair and Guideline Lead noted that the interests declared in the registry did not prevent the attendees from fully participating in the meeting.

3. Minutes of last meeting

The Chair asked the committee to confirm the minutes of the last meeting, and the committee confirmed that no changes were required.

The actions and decisions log from the last meeting was reviewed and confirmed by the committee.

4. Morning presentations

The Chair, Sarah Fishburn, and NGA Guideline Lead, Hilary Eadon, informed the committee the procedures for applying for the position of Vice Chair, in line with NICE requirements.

The Chair introduced Paul Jacklin, NGA Senior Health Economist, who presented the economic priorities of the IPC guideline review questions, which were grouped into high, medium and low.

The Chair introduced Agnesa Mehmeti, NGA Systematic Reviewer, who presented the evidence review for IPC Q3.1: What is the effectiveness of water papules for pain relief during labour?

5. Afternoon presentations

The Chair introduced Claire Maynard, NGA Systematic Reviewer, who presented the review protocol for:

IPC Q2.1: What is the optimum timeframe between a mother reporting possible PRoM and face-to-face clinical review?

IPC Q8.1: Is intravenous administration of oxytocin more effective than intramuscular administration in the active management of the third stage of labour?

Agnesa Mehmeti presented the review protocol for:

IPC Q4.1: What is the effectiveness of Programmed Intermittent Epidural Bolus compared to other methods of maintaining epidural analgesia?

IPC Q5.1: What is the effectiveness of fetal blood sampling in improving outcomes for babies?

6. Questions and discussions

The committee discussed the economic priorities of the IPC review questions and made

some changes to the suggested grouping.

The committee revised and signed off the protocols for IPC Q2.1, 4.1, 5.1 and 8.1.

The committee discussed the evidence for IPC Q3.1 and drafted recommendations.

7. Any other business

Hilary Eadon reminded the committee that the next meeting will be the Inducing labour post-consultation meeting with the original committee members and will involve discussions of the stakeholder consultation comments. The newly recruited committee members for the IPC guideline will not be required to attend.

The Chair reminded the committee of the date for the next meeting.
