1. Apologies were received from Tim Kendall, Clifford Middleton, Clare Morgan, Rosemarie Roberts and David Shemmings.
2. Interests were declared by DSim, MS and HW.
3. The minutes from the previous meeting were reviewed for accuracy and confirmed.
4. Care leavers and carer representatives were asked to express any concerns.
5. A draft version of the full guideline writing plan was presented to the group. GDG members were volunteered to draft introduction sections of the full guideline. The GDG were asked to review and suggest changes to the writing plan.
6. The GDG were given an update on the development of treatment interventions for children in care or adopted from care since the previous meeting.
7. The health economic literature review on interventions for children in care and children who have been adopted from care was presented.
8. The clinical review on pharmacological interventions will be presented at GDG meeting 5.
9. The clinical review on what interventions are effective for promoting attachment in children and young people on the edge of care was presented.
10. An update on the HE review looking at interventions for children at risk of going into care will be presented in GDG meeting 5.

**Date, time and venue of the next meeting**

Thursday 11<sup>th</sup> September 2014, 10.30am – 4pm, at The Royal College of Psychiatrists, 21 Prescot Street, London E1 8BB
