

Economic plan

This plan identifies the areas prioritised for economic modelling. The final analysis may differ from those described below. The rationale for any differences will be explained in the guideline.

1 Guideline

Children's attachment: attachment in children and young people who are adopted from care, in care or at high risk of going into care

2 List of modelling questions

| Review questions by scope area | Interventions to promote attachment in children and young people |
|--|--|
| Population | Young children on the edge of care |
| Interventions and comparators considered for inclusion | Video feedback, parental sensitivity and behaviour training, home visiting and parent-child psychotherapy, and standard care |
| Perspective | NHS and PSS |
| Outcomes | QALYs |
| Type of analysis | CUA |
| Issues to note | |
