

Appendix P: Clinical evidence – flow diagrams

R.1 Biological factors	2
R.2 Environmental factors.....	3
R.3 Process and arrangement factors.....	4
R.4 Prediction.....	5
R.5 Identification.....	6
R.6 Treatment – edge of care	7
R.7 Treatment – in care.....	8
R.8 Treatment – adoption	9
R.9 Pharmacological interventions.....	10
R.10 Economic systematic review	11

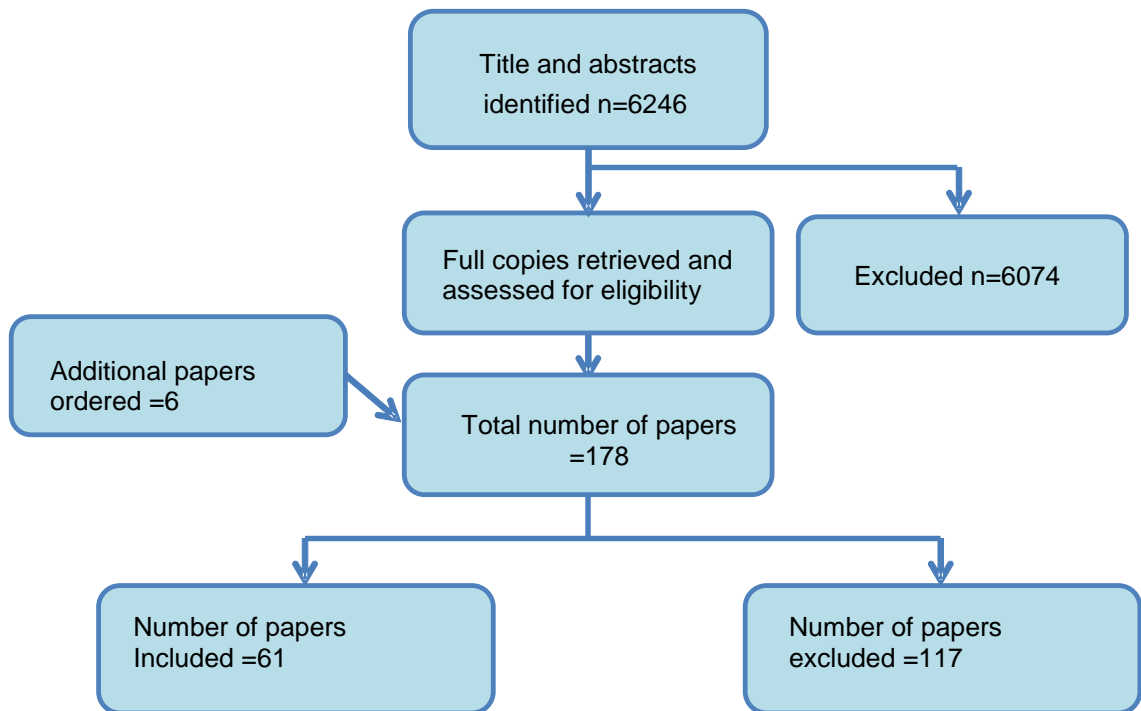

P.1 Biological factors

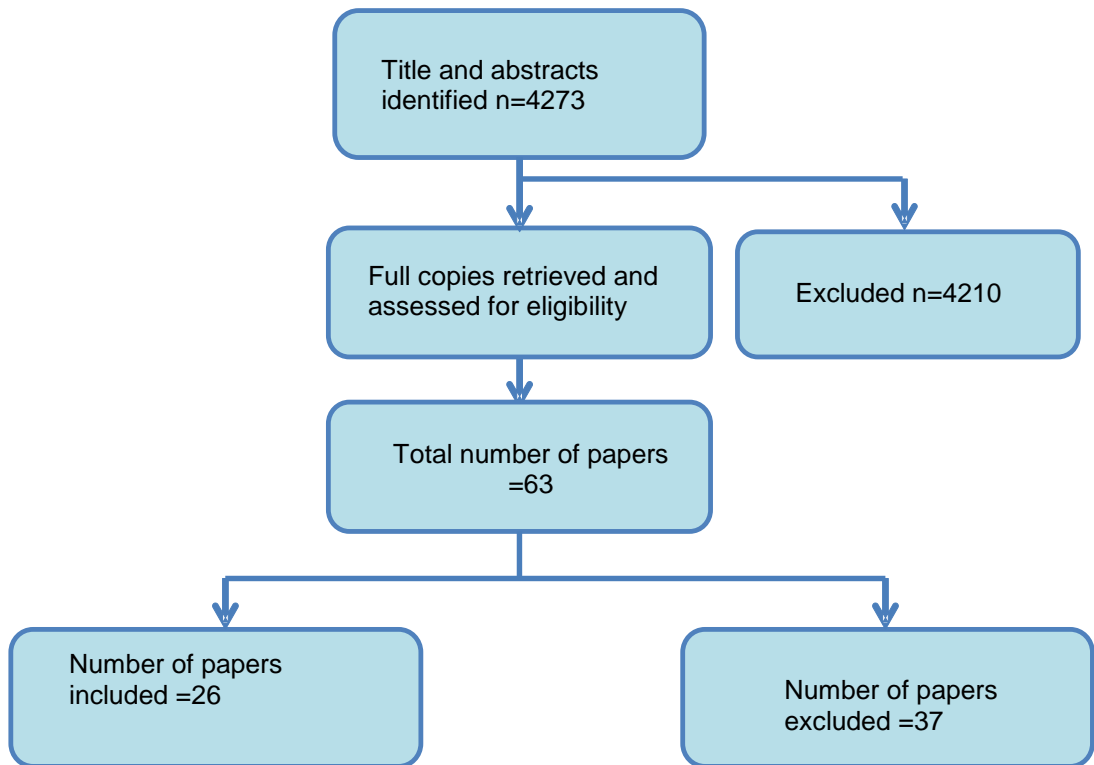

P.2 Environmental factors

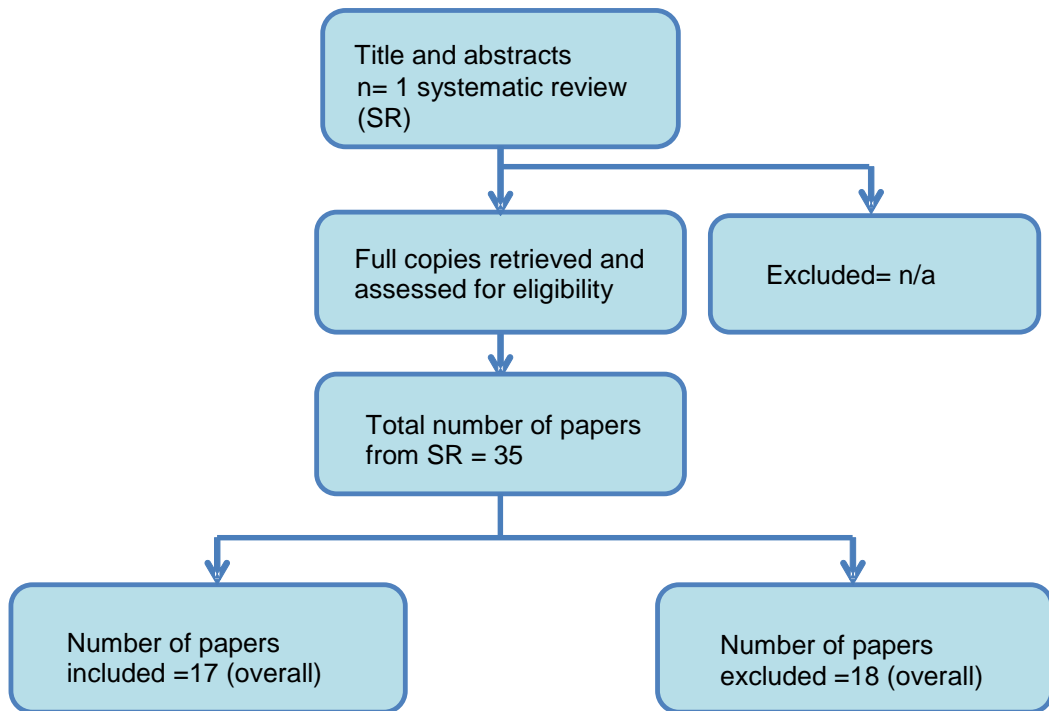

P.3 Process and arrangement factors

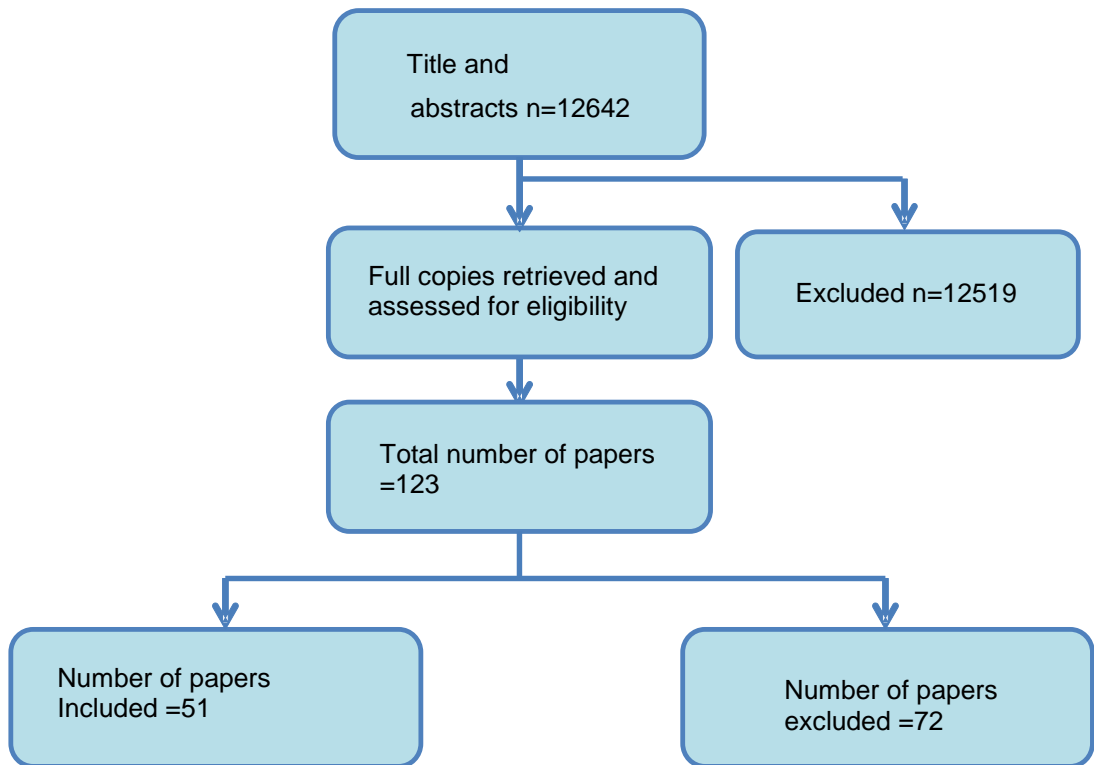

P.4 Prediction

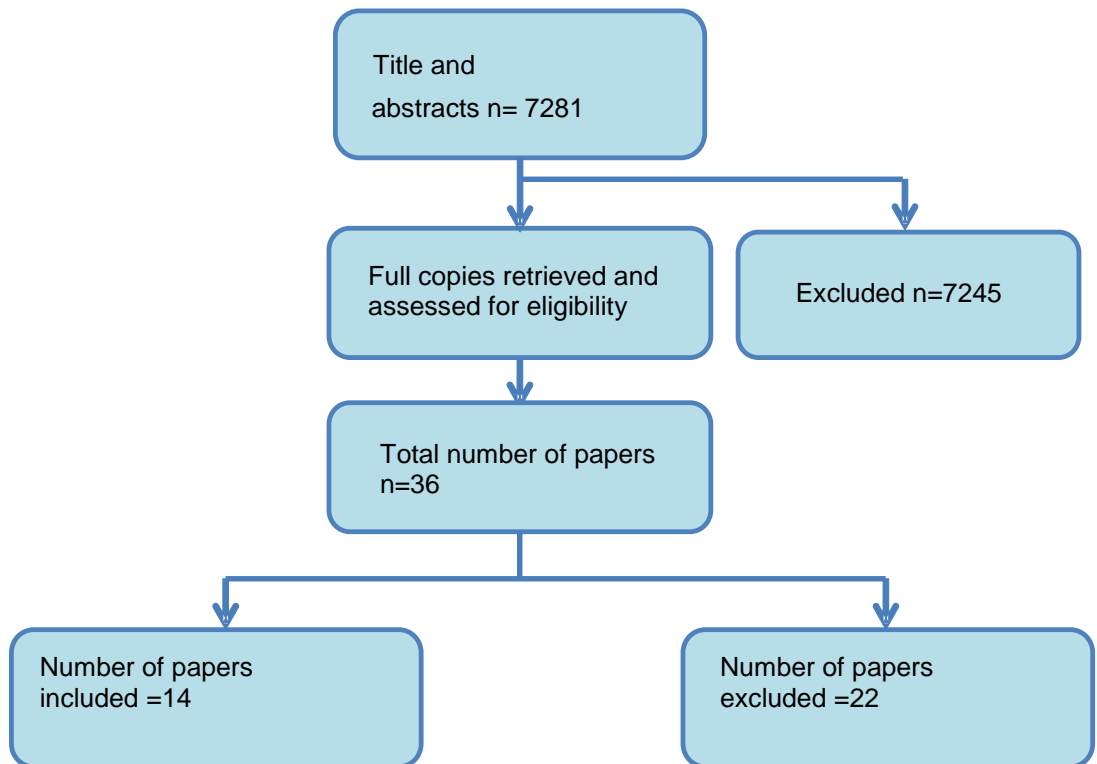

P.5 Identification

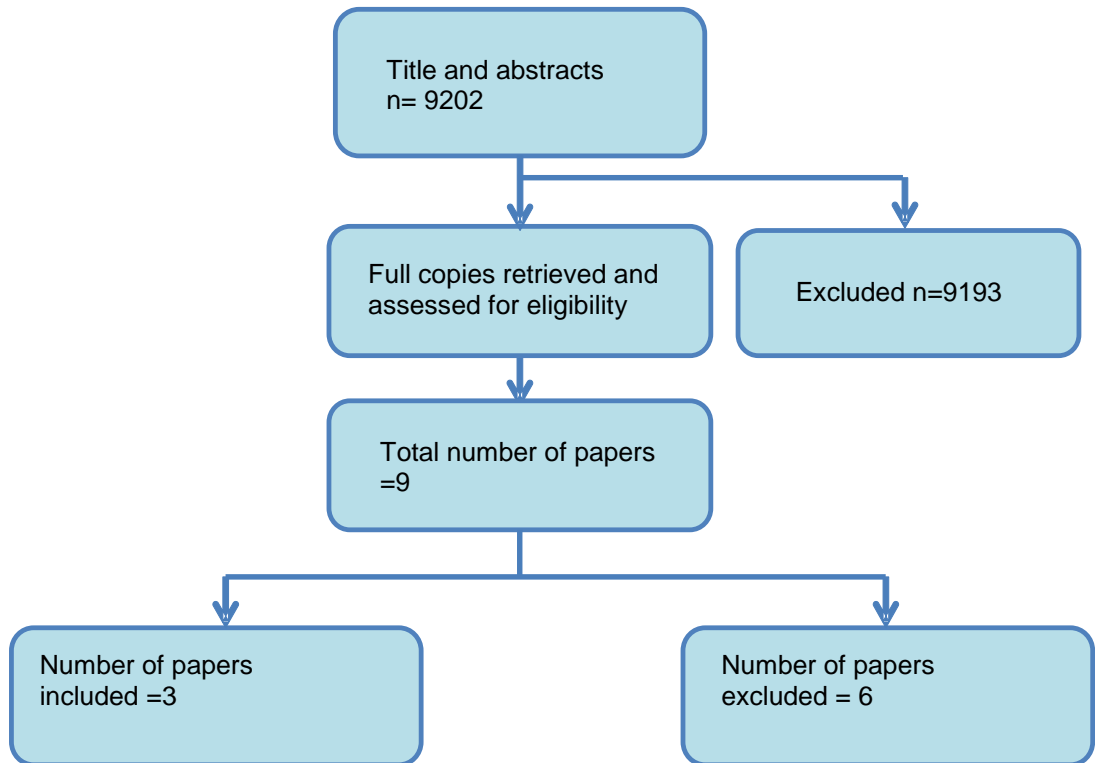

P.6 Treatment – edge of care

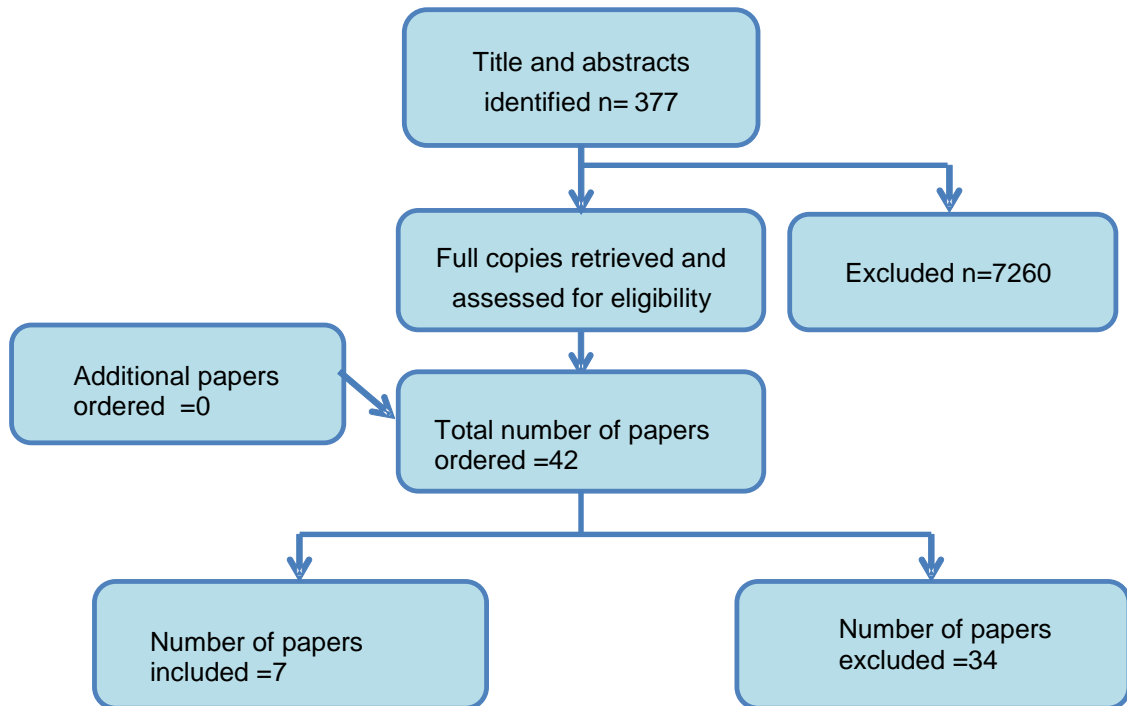

P.7 Treatment – in care

P.8 Treatment – adoption

P.9 Pharmacological interventions

P.10 Economic systematic review
