1. Welcome, declarations of interest and minutes review

The Chair welcomed the Committee members and attendees to the tenth committee meeting on Type 2 diabetes in adults (medicines update).

The Chair informed the Committee that apologies had been received, noted above.

The Chair asked everyone to verbally declare any interests that have arisen since the last meeting. No new interests were declared.

The Chair asked the Committee if it wanted any changes made to the minutes of the last meeting. The Committee agreed that the minutes were a true and accurate account of the meeting.

2. Discussion & ratification of draft recommendations following committee and QA feedback

The Chair introduced NICE Senior Technical Analyst, Marie Harrisingh (MH), who led a discussion on the draft recommendations and specific issues related to the guideline content following committee and quality assurance feedback. The Chair thanked MH for her presentation.

The Chair thanked the Committee for their contributions, summarised the main discussion from the meeting and asked if there was any other business.

As there was no further business, the Chair highlighted the next steps in the process and brought the meeting to a close.
