Guideline Development Group Meeting Complex fractures GDG 12

1. The Chair welcomed the group to the twelfth meeting of this GDG. Apologies were received from KB, DC, JF, FL, SM, CM, KM, MS, LS, DS, JS, LT, PH, JH and AS. The Chair reviewed and requested updates to the declarations of interest register. There were no new declarations of interest.
2. MP presented the draft patient information recommendations for the whole Trauma suite and the draft recommendations specific to fractures. The GDG discussed and reviewed the draft recommendations.
3. MP then presented the draft documentation recommendations for the whole Trauma suite and the draft recommendations specific to fractures. The GDG discussed and reviewed the draft recommendations.
4. AA and PC then presented the clinical and cost effectiveness review on documenting neurovascular status. The GDG discussed the evidence presented. The Chair thanked AA and PC for their presentation.
5. CS then led discussions with the GDG on defining the population for the draft pelvic fracture recommendations.
6. The GDG then reviewed and discussed the draft recommendations on: pelvic binders; transfer of pelvic fractures; identifying vascular compromise; preservation of limbs and limb salvage.
7. The Chair asked for any other business. There was no other business. The Chair closed the meeting and thanked the GDG for attending.

Date of next meeting: GDG 14: 19th May 2015, Boardroom, NCGC, 180 Great Portland Street, London W1W 5QZ

GDG 15: 20th May 2015, Boardroom, NCGC, 180 Great Portland Street, London W1W 5QZ

Date and Time: 30 April 2015 10:00 – 16:00

Place: Boardroom, National Clinical Guideline Centre, 180 Great Portland Street, London W1W 5QZ

Guideline Development Group Meeting Complex fractures GDG 13

8. The Chair welcomed the group to the thirteenth meeting of this GDG. Apologies were received from DC, ALC, FL, SM, CM, MS, LS, BS, JS and LT. The Chair reviewed and requested updates to the declarations of interest register. There were no new declarations of interest.
9. MP presented the evidence identified in the search re-runs for complex fractures. The GDG discussed the new evidence and reviewed the draft LETR and recommendations. The Chair thanked MP for his presentation.
10. PC re-presented the data for the open fractures cost analysis with new inputs as recommended by the GDG. The Chair thanked PC for his presentation.
11. AA and MC presented the clinical and cost effectiveness evidence review for cystourethrogram. The GDG discussed the evidence presented and drafted the LETR and recommendations. The Chair thanked MP and MC for their presentation.
12. MP continued to present the evidence identified in the search re-runs for complex fractures. The GDG discussed and reviewed the draft LETR and recommendations as required. The Chair thanked MP his presentation.
13. CS then presented a full list of recommendations which the GDG discussed and reviewed following presentation of the search re-runs.
14. The Chair asked for any other business. There was no other business. The Chair closed the meeting and thanked the GDG for attending.

Date of next meeting: GDG 14: 19th May 2015, Boardroom, NCGC, 180 Great Portland Street, London W1W 5QZ

GDG 15: 20th May 2015, Boardroom, NCGC, 180 Great Portland Street, London W1W 5QZ
