

Preoperative tests (update)

Routine preoperative tests for elective surgery

NICE guideline NG45

Appendix F: Economic article selection

April 2016

*Developed by the National Guideline Centre,
hosted by the Royal College of Physicians*

Disclaimer

Healthcare professionals are expected to take NICE clinical guidelines fully into account when exercising their clinical judgement. However, the guidance does not override the responsibility of healthcare professionals to make decisions appropriate to the circumstances of each patient, in consultation with the patient and, where appropriate, their guardian or carer.
