Stephen Barry	Service Manager/Principal Highly Specialist Clinician, North Bristol NHS Trust Be Safe Service	In his job role, Stephen provides direct work to children and young people with problematic / harmful sexual behaviour and their families, as well as training and consultation to a broad range of professionals both within the local area and outside the area where the service is usually commissioned. This includes the NSPCC, other services and health trusts, as well as the voluntary sector and independent providers. 05/12/14	No action needed
Stephen Barry	Service Manager/Principal	Stephen currently does not work independently of the North Bristol Trust NHS Be Safe Service.	No action needed

Committee membership list – Harmful sexual behaviour guideline Committee

	Highly Specialist Clinician, North Bristol NHS Trust Be Safe Service	Between 2011 and Dec 2014, Stephen undertook consultancy work for the NSPCC, providing Clinical Consultation and training to practitioners and team managers delivering services to children and young people with harmful and problematic sexual behaviour. This addressed clinical and practice issues as well as impact issues of the work and is provided through telephone consultation and face to face sessions. This contract ended in December 2014, and has now transferred across to the Be Safe Service. On whose behalf Stephen now provide this. Stephen also had an independent contract to provide face to face clinical consultation specific to staff impact and then direct work with young people for the NSPCC National Clinical Assessment and Treatment Service from October 2012 to 31 March 2014.	
Jon Brown	Head of Strategy and Development, NSPCC	Jon is fully employed by the NSPCC and currently doesn't undertake any independent work. From January 2016, the NSPCC may charge for some of their contracts relating to harmful sexual behaviour. 13/05/15	No action needed
Simon Hackett	Principal/ Professor of Applied Social Sciences, Durham University	Simon is vice chair and trustee of the National Organisation for the Treatment of Abusers (NOTA). He is a researcher at Durham University undertaking research relating to Harmful Sexual Behaviour. He is also a member of the NSPCC convened intra-agency group who are looking to develop an operational framework for harmful sexual behaviour Simon is a topic expert member helping with SchARR to undertake the	No action needed
