--	--	--

Notes

1. **Welcome, apologies and declarations of interest**
The Chair welcomed the group to the eleventh meeting of this GDG. Apologies were received from FC and NK.
The DOI register was made available to the GDG chair. The chair reviewed the DOI register and deemed that none of the original DOIs were in conflict with the agenda topics and clinical questions under discussion at the meeting.
There was a new declaration of interest. JH declared being appointed chair of the RCGP Secure Environments Group. This was classified as a personal non-pecuniary interest and the Chair agreed that he should declare and participate.
2. **Review GDG10 meeting notes & NICE minutes**
Meeting notes and NICE minutes were approved as a correct record.
3. **Review question: What are the barriers and facilitators to ensuring continuity of healthcare, including management of patient records, of people moving from:**
 - community to prison?
 - prison to prison?
 - prison to court?
 - court to prison?
 - prison to hospital?
 - hospital to prison?
 - prison to community?
 - transport to or from other detention centres? (qualitative)HK presented reruns for this review. The GDG discussed the evidence and amended the recommendations.
4. **Review question: What are the barriers and facilitators to ensuring access to medicines to maximise adherence and good health outcomes and reduce inappropriate use when:**
 - coming into prison?
 - in prison?
 - being transferred between prisons?
 - discharged from prison? (qualitative)SH presented reruns for this review. The GDG discussed the evidence and amended the recommendations.
5. **Review question: How should chronic conditions be monitored in prison? – review of NICE guidance (diabetes, chronic respiratory, epilepsy, chronic heart disease, chronic kidney disease).**
SH presented reruns for this review. The GDG discussed the evidence and amended the recommendations.
6. **Health economic model: Health assessment**

Notes

LF presented results from the health economic model based on health assessment. The GDG discussed the results and amended the recommendations for the reception health assessment question.

7. **Research recommendations**

HK gave a presentation on possible research recommendation ideas. The GDG decided which research recommendations would be written up and prioritised in the guideline.

8. **Algorithms**

SH presented the draft algorithms to the GDG. The GDG discussed them and made changes.

9. **Review question: What are the barriers and facilitators to coordination, case management and communication between prison staff and healthcare professionals in prison?**

SH presented the LETR for this review. The GDG discussed the LETR and amended the recommendations.

10. **Any other business**

BP explained the next steps and submission plan.

Date, time and venue of the next meeting

GDG12: Thursday 11 February at the National Clinical Guideline Centre, 180 Great Portland St, London W1W 5QZ, 10.30-16.30
