1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the first meeting on Severe mental illness and substance misuse (dual diagnosis) - community health and social care services. The Committee members and attendees introduced themselves.

The Chair welcomed the members of the public to the meeting. The members of the public had been briefed already, both verbally and in writing by the NICE team, and the Chair reminded them of the protocol for members of the public, whose role is to observe (they should not speak or ask questions). No filming or recording of the meeting is permitted. The Chair reminded all present that the Committee is independent and advisory, that its decisions and recommendations to NICE do not represent final NICE guidance, and that they may be changed as a result of public consultation.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included:

- receiving a brief overview of the scope and any equality issues identified during scoping
- hearing about the plan for future meetings, including the evidence to be considered
- discussing the findings of the evidence review 1 (the epidemiology and current configuration of health and social care community services)
- developing draft recommendations and considerations
- discussing gaps in the evidence, research recommendations and expert

3. Overview of Scope

The Chair introduced Charlotte Haynes, Analyst at NICE, who gave a presentation on the scope of the guideline.

The Committee discussed the key aspects and key questions from the scope and were given the opportunity to ask questions.

Action: The Committee to suggest co-optees and experts who may be able to provide the current committee with further knowledge in order to draft the guideline

4. Equality impact assessment & related guidelines

The Chair introduced Chris Carmona, Analyst at NICE, who gave a presentation on the equality impact assessment and related guidelines.

The Committee discussed equalities in relation to the guideline and were given the opportunity to ask questions.

Action: The Committee and the NICE Team to clarify the definition of severe mental illness at the next meeting

5. Introduction to service delivery methods

Charlotte Haynes, Analyst at NICE, gave a presentation on the introduction to service delivery methods.

The Committee discussed service delivery methods and were given the opportunity to ask questions.

The Committee were asked to remember the following when thinking about the evidence: accessibility; acceptability; availability; appropriateness and awareness.

6. Overview of evidence review plan and Evidence Review 1

The Chair introduced Odette Megnin-Viggars, Systematic Reviewer with NCCMH, and Steve Pilling, Project Supervisor, NCCMH who gave an overview of the evidence review plan on severe mental illness and substance misuse (dual diagnosis) – community health and social care services. This was followed by a presentation on the Evidence Review 1.

The Committee then discussed the issues presented in relation to this guideline and took questions from the group.
