Apologies:

Annabel Flint

NCC-WCH Project Manager

Katie Perryman-Ford

NICE Guideline Commissioning Manager

1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the third meeting on the developmental follow-up of preterm babies. The Committee members and attendees introduced themselves.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included: developing protocols and reviewing the challenges for the developmental follow-up of preterm babies guideline.

2. Confirmation of matter under discussion, and declarations of interest

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was the developmental follow-up of preterm babies.

The Chair asked everyone to verbally declare any interests that have arisen other than those already submitted.

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken
Samantha Johnson	Developmental Psychologist and Senior Research Fellow, Leicester University	Two peer reviewed papers accepted for publication: Johnson S, Kochhar P, Hennessey E, Marlow N, Wolke D, Hollis C. Antecedents of Attention-Deficit/Hyperactivity Disorder symptoms in children born extremely preterm. Journal of Developmental and Behavioral Pediatrics. (In Press).	Personal non-financial specific	No further action necessary.

		Johnson S, Matthews R, Draper ES, Field DJ, Manktelow B, Marlow N, Smith LK, Boyle EM. Eating difficulties in children born late and moderately preterm at 2 years of age: a prospective population-based cohort study. American Journal of Clinical Nutrition. (In Press).		
Samantha Johnson	Developmental Psychologist and Senior Research Fellow, Leicester University	Gave a presentation about neurodevelopment following late and moderately preterm birth at a study day entitled "Just a few weeks early: the challenge of moderate-late prematurity" funded by Chiesi Ltd.	Non-personal financial specific	No further action necessary

4. Presentations

The Chair introduced Judith McBride, NICE Senior Editor, who gave a presentation on the role of the NICE editor in guideline development and took questions from the Committee.

The Chair introduced Yelan Guo, Senior Research Fellow, and Sadia Janjua, Research Fellow, who gave a presentation on the work in progress with neonatal risk factors and challenges with the evidence and next steps for the guideline and took questions from the Committee.

The Committee thanked everyone involved for their presentations and contribution to the development of the guideline.

5. Questions and discussion

The Chair led the Committee through the process of drafting the protocol for the topic of support to parents and carers of preterm babies.

The Chair led the Committee through the process of finalising the risk of developmental problems protocol.

The Chair led the Committee through the process of drafting the protocol for the topic of prevalence of developmental disorders.

6. Any other business

There were no other items of business. The Chair thanked the Committee for attending and closed the meeting.

Date of next meeting: 28/01/2016

Location of next meeting: Royal College of Obstetricians and Gynaecologists,
London
