**Apologies:**

Celia Harding	Committee Member
Kristie Hill	Committee Member
Katie Perryman-Ford	NICE Guideline Commissioning Manager

**1. Welcome and objectives for the meeting**

The Chair welcomed the Committee members and attendees to the fifth meeting on the developmental follow-up of preterm babies. The Committee members and attendees introduced themselves.

The Chair informed the Committee that apologies had been received. These are noted above.

The Chair outlined the objectives of the meeting, which included: drafting protocols and reviewing the evidence for the guideline.

**2. Confirmation of matter under discussion, and declarations of interest**

The Chair confirmed that, for the purpose of managing conflicts of interest, the matter under discussion was the developmental follow-up of preterm babies.

The Chair asked everyone to verbally declare any interests that have arisen other than those already submitted.

Name	Job title, organisation	Declarations of Interest, date declared	Type of interest	Decision taken
Samantha Johnson	Developmental Psychologist and Senior Research Fellow, Leicester University	Presentation to supporters of Action Medical Research entitled "Tackling premature children's difficulties with maths".	Personal non-financial specific	No further action necessary.
Samantha Johnson	Developmental Psychologist and Senior Research	Presentation to academic, health and education professionals at an	Personal non-financial specific	No further action necessary

	Fellow, Leicester University	impact event organised by the Nuffield Foundation to present the final report from a research grant, this was entitled “The impact of preterm birth on mathematics achievement and schooling”		
Jennifer Baulcomb	Educational Psychologist - Evalina London Children's hospital, Guy's Hospital	Invited to speak as a respondent at a dissemination seminar at the Nuffield Foundation, chaired by Professor Terrie Moffitt relating to a study led by Professor Dieter Wolke (University of Warwick), looking at the impact of premature birth on mathematics achievement and schooling.	Personal non- financial specific	No further action necessary

#### **4. Presentations**

The Chair introduced Yelan Guo, Senior Research Fellow, and Sadia Janjua, Research Fellow, who gave a presentation on the evidence review for risk of developmental disorders – neonatal factors, and took questions from the Committee.

Yelan Guo, Senior Research Fellow, and Sadia Janjua, Research Fellow, gave a presentation on the overview of the evidence for the risk of developmental disorders – biological, social, environmental and maternal risk factors.

The Committee thanked everyone involved for their presentations and contribution to the development of the guideline.

#### **5. Questions and discussion**

The Chair led the Committee through the process of drafting recommendations and LETRs for the evidence review for the risk of developmental disorders – neonatal

factors.

The Chair and Vanessa Delgado Nunes, Guideline Lead and Senior Research Fellow led the Committee through the process of drafting the protocol for identification of developmental problems and disorders.

The Chair led the Committee through the lay member forum.

#### **6. Any other business**

There were no other items of business. The Chair thanked the Committee for attending and closed the meeting.

**Date of next meeting:** 15/04/2016

**Location of next meeting:** Royal College of Obstetricians and Gynaecologists,  
London
