

## Membership of Women’s and Reproductive Health Suite Faculty

The faculty will provide members to form committees. These committees will operate as advisory committees to NICE’s Board, developing and updating guidelines in the Women’s and Reproductive Health Suite.

The terms of reference and standing orders for the committee can be found in [appendix D of Developing NICE guidelines: the manual](#).

The faculty has 27 members who provide expertise for different topic areas included in the Women’s and Reproductive Health Suite.
