Geoff Roberson (GRo)	Committee member
Mary Russell (MR)	Co-opted member

1. Welcome and objectives for the meeting

The Chair welcomed the Committee members and attendees to the fifteenth and final meeting on Cataracts.

Apologies were noted, as recorded above.

The Chair asked each attendee to declare any new conflicts. No new conflicts were declared. It was agreed that all committee members were eligible to attend the committee meeting and contribute to the discussions and drafting / editing of any recommendations.

The minutes were reviewed from GComm 14 and agreed to be an accurate record.

The Chair provided a brief overview and objectives of the day.

2. Resource Impact Assessment

JL provided an overview of the resource impact work that has been carried out for the guideline, and queried a few points with the committee

3. Publication process

PRa explained how the guideline will be publicised and encouraged committee members to become involved in activities around publication.

4. Stakeholder Consultation comments and committee discussion

SR led a discussion with the committee on the stakeholder comments in the following areas:

- Blue-light filtering lenses
- Laser-assisted cataract surgery
- Multifocal lenses
- Intraocular lenses
- Toric lenses
- Anaesthesia
- Monovision
- On-axis surgery
- Biometry
- Cognitive impairment

4.0.3 DOC Cmte minutes

- Bilateral simultaneous surgery
- Anaesthesia
- NSAIDs
- Wrong lens implant errors
- Patient Information

The committee agreed the responses to the stakeholder comments and any necessary changes to the guideline and / or recommendations.

5. Next steps

MB briefly summarised the meeting, and advised that updated versions of the guideline would be circulated to the committee for their comment.

6. AOB

MB thanked the committee members for their hard work and input during the development process.
