Notes

Personal pecuniary interest

Attended a medical meeting sponsored by Glaxo Smith Kline at which a product unrelated to the current guideline was discussed. GlaxoSmithKline provided subsistence (a meal) for the attendees.

Chaired meeting of Wessex Paediatric Respiratory Society in February 2014. This was an educational meeting sponsored by GlaxoSmithKline who arranged the venue and provided subsistence (a meal) for the attendees. No areas related to the current guideline were discussed.

Attended a Cystic Fibrosis educational meeting (March 2014) organised by Forest Laboratories who provided overnight accommodation and subsistence (meals). No areas related to the current guideline were discussed.

CVM declared:

Personal non-pecuniary interest

A publication in press: van Miert C, Abbott J, Verhoeff F, Lane S, Carter B, McNamara P (2014) Development and Validation of the Liverpool Infant Bronchiolitis Severity Score: a research protocol. Journal of Advanced Nursing

A meeting with a representative from Alios BioPharma who wanted advice on which potential outcomes to use in a future antiviral bronchiolitis study.

No other new declarations of interest were received from the GDG members or the other attendees. It was agreed that no interests declared at this meeting or previously warranted exclusion of any GDG members from discussions of evidence or formulation of recommendations at the meeting.

Declarations are kept on record at the NCC-WCH and will be published in the full guideline.

3. JL gave a presentation as an introduction to the risk factors for severe bronchiolitis. During the presentation the group had an opportunity ask questions.
4. NP presented the evidence for the risk factors for severe bronchiolitis. During the presentations the group had an opportunity to discuss the evidence presented and ask questions. The GDG discussed the evidence and drafted recommendations
5. There was no other business. SC thanked the participants for attending and closed the meeting.
