Notes

Day 1

1. SC welcomed the group to the meeting. Apologies were received from Kate Chadwick for both days and Julian Legg for 9th July.
2. SC asked the group for any new declarations of interest. No new interests were declared.
3. VR presented a summary of the evidence for the review of pulse oximetry monitoring. During the presentation the group had the opportunity to ask questions.
4. The GDG discussed the evidence and their clinical experience of pulse oximetry monitoring and drafted recommendations.
5. VR presented a summary of the evidence for the review on chest physiotherapy. During the presentation the group had the opportunity to ask questions.
6. The GDG discussed the evidence and their clinical experience of chest physiotherapy. CR provided expert advice on the subject. The GDG drafted recommendations based on this discussion.
7. NP presented a review of the evidence for fluid and nutritional support. During the presentation the group had the opportunity to ask questions.
8. The GDG discussed the evidence and their clinical experience of fluid and nutritional support and drafted recommendations.
9. The GDG reviewed the existing recommendations in the guideline and updated them as

Notes

appropriate.

10. SC adjourned the meeting for the day.

Day 2

11. SC welcomed the group back to the meeting.

12. The GDG continued to review and update the existing recommendations.

13. JAC explained the process and reason for the rerun searches to the GDG.

14. NP presented the findings of the early rerun searches to the GDG and highlighted any new evidence which had a potential impact on recommendations. During the presentation the GDG had the opportunity to ask questions.

15. There was no other business. SC thanked the participants for attending and closed the meeting.

Date, time and venue of the next meeting

18th September 2014, 10:00 – 17:30 19th September 2014, 10:00 – 14:30 at the Royal Institute of British Architects, London
