

Economic plan

This plan identifies the areas prioritised for economic modelling. The final analysis may differ from those described below. The rationale for any differences will be explained in the guideline.

1 Guideline

Learning disabilities and behaviour that challenges: service design and delivery

2 List of modelling questions

Review questions by scope area	Review question 1
Population	Individuals with learning disabilities and behaviour that challenges
Interventions and comparators considered for inclusion	Intervention: additional respite care Comparator: standard care (which may include some degree of respite care)
Perspective	NHS and personal social services
Outcomes	QALYs
Type of analysis	Scenario and threshold analyses
Issues to note	Analysis is entirely based on assumptions; however, threshold analyses and sensitivity analyses were conducted
