Guidance development group					
Alaster Rutherford	25.06.13	I work on a self-employed consultant basis for NHS Bath and NESomerset CCG. I have received payments from pharmaceutical companies for consultancy in relation to specific medicines – Vertex (Ivacaftor in cystic fibrosis);Norgine (Rifaximin in hepatic encephalopathy); Genus (Movelat); Shire (Lisdexamfetamine in ADHD and Lanthanum in CKD Stage5); Bristol Myers Squibb (General principles of implementing NICE guidance); Astellas (Enzalutamide in advanced prostate cancer). None of these represent a specific conflict with the topic of the GDG.	My wife is the owner of a community pharmacy in North Somerset (Banwell Village Pharmacy). It does not provide services to any care homes.	None	None
