

Dear Chris/Kate

Please take this e-mail as the statement on this appraisal. It is submitted by Dr Rodney Burnham, RCP Registrar on behalf of NCRI/RCP/RCR/ACP/JCCO.

'We agree that the data for topotecan in small cell lung cancer are as stated in the publications. We believe that most clinicians would welcome it as an option but do not feel strongly about it.'

I would be grateful if you could confirm receipt.

Best wishes
