Subject: RE: Invitation to participate: Lung cancer (non-small-cell, first line) - gefitinib - Professional

Dear Jeremy

This is to let you know that nurses working in this area of health considered the invitation to submit a professional statement with regards to the above technology appraisal. They have indicated that there is nothing to submit at this stage on behalf of the Royal College of Nursing.

Thank you for the invitation.

We look forward to participating in the next stage of this appraisal.

Regards
