Dear [REDACTED],

**Final Appraisal Determination: Imatinib for the treatment of
unresectable and/or metastatic gastrointestinal stromal tumours.**

Thank you for your reply to my letter of 8 October 2010. I stated in my letter to you that I was not minded to agree that your appeal points raised were valid and I invited you to comment on my initial scrutiny letter. Based on your response of no further comments, I have taken the decision that the Institute will not be conducting an appeal hearing in relation to the Appraisal Committee's Final Determination in this matter.

Yours sincerely

Dr. Maggie Helliwell
Appeal Committee Chair
