

Dear [REDACTED]

Apologies - my system was down yesterday. Yes the NCRI/RCP/RCR/ACP/JCCO are happy for the appeal to go ahead in line with the initial scrutiny letter. Any problems please get back to me.

Subject: Myelodysplastic syndrome - azacitidine - Initial scrutiny letter

Dear [REDACTED]

Further to the email sent on 31 March with the Appeal Committee chair's initial scrutiny letter for the above appraisal, I have not received a response and the deadline for response has now passed.

Please can you confirm by email that the NCRI Haematological Oncology Clinical Studies Group/ Royal College of Physicians, Medical Oncology Joint Special Committee wish to proceed with the oral appeal hearing with the points raised in the initial scrutiny letter by 5pm today.

Kind regards
