

**NICE STA - Thrombocytopenic purpura - romiplostim - 2 September meeting rescheduled**

27 August 2010

Dear Consultees and Commentators,

On 23 July we informed you that the Appraisal Committee would discuss the appraisal of *romiplostim for the treatment of chronic immune or idiopathic thrombocytopenic purpura* on Thursday 2 September 2010.

For this appraisal, the manufacturer submitted a Patient Access Scheme. However, the scheme has yet to receive final agreement from the Department of Health. Consequently it will not be possible for the Committee to discuss this appraisal on 2 September. We will contact you shortly to let you know when this appraisal will be rescheduled.

If you have any questions, please contact me.

Kind regards,

Jeremy
