Dear [REDACTED]

**Final Appraisal Determination: immunosuppressive therapy for kidney transplantation in adults**

Thank you for your letter of 9 February in response to my initial scrutiny letter. I am grateful to you for confirming that your appeal is under Ground 2 and against recommendation 1.4 of the above Final Appraisal Determination (FAD) and for the further explanation of point 2.12 of your original letter.

I can now let you have my final scrutiny decision. As noted in my initial scrutiny letter I consider all your points to be valid except for those at 2.6, 2.7 and 2.13 of your original letter. There will be an oral hearing, details of which have been separately notified to you.

Yours sincerely
