Dear [REDACTED]

**Final Appraisal Determination : immunosuppressive therapy for kidney  
transplantation in children and young people**

Thank you for your letter in response to my initial scrutiny of the BKPA's appeal against the above Final Appraisal Determination (FAD) I am grateful for your confirmation that the BKPA is appealing under Ground 2 against recommendation 1.4 of the FAD and for the clarification on point 2.12 of your original letter.

I can now let you have my final scrutiny decision. As I noted in my initial scrutiny letter I consider all the points made to be valid appeal points except those at 2.6, 2.7 and 2.13 of your original letter. There will be an oral hearing of the valid points, details of which has been separately notified to you.

Yours sincerely
