Dear [REDACTED]

Final Appraisal Determination: immunosuppressive therapy for kidney transplantation in children and young people

I can now let you have my final scrutiny decision in respect of NHS England's appeal against the above Final Appraisal Determination (FAD). As I indicated in my earlier letter, I consider all the points raised in your letter of 11 January to be valid appeal points. There will be an oral hearing, details of which have been separately notified to you.

Yours sincerely
