

**NATIONAL INSTITUTE FOR HEALTH AND CARE  
EXCELLENCE**

**HEALTH TECHNOLOGY APPRAISAL PROGRAMME**

**Equality impact assessment – Guidance development**

**STA Mogamulizumab for previously treated mycosis  
fungoides and Sézary syndrome**

The impact on equality has been assessed during this appraisal according to the principles of the NICE equality scheme.

**Consultation**

1. Have the potential equality issues identified during the scoping process been addressed by the committee, and, if so, how?

N/A

2. Have any other potential equality issues been raised in the submissions, expert statements or academic report, and, if so, how has the committee addressed these?

No

3. Have any other potential equality issues been identified by the committee, and, if so, how has the committee addressed these?

No

4. Do the preliminary recommendations make it more difficult in practice for a specific group to access the technology compared with other groups? If so, what are the barriers to, or difficulties with, access for the specific group?

No

5. Is there potential for the preliminary recommendations to have an adverse impact on people with disabilities because of something that is a consequence of the disability?

No

6. Are there any recommendations or explanations that the committee could make to remove or alleviate barriers to, or difficulties with, access identified in questions 4 or 5, or otherwise fulfil NICE's obligations to promote equality?

No

7. Have the committee's considerations of equality issues been described in the appraisal consultation document, and, if so, where?

Yes – see section 3.17 in the appraisal consultation document

**Approved by Associate Director (name):** Jasdeep Hayre

**Date:** 20 July 2020

## Final appraisal determination 1

(when an ACD issued)

1. Have any additional potential equality issues been raised during the consultation, and, if so, how has the committee addressed these?

No.

2. If the recommendations have changed after consultation, are there any recommendations that make it more difficult in practice for a specific group to access the technology compared with other groups? If so, what are the barriers to, or difficulties with, access for the specific group?

NA – recommendations have not changed.

3. If the recommendations have changed after consultation, is there potential for the recommendations to have an adverse impact on people with disabilities because of something that is a consequence of the disability?

NA – recommendations have not changed.

4. If the recommendations have changed after consultation, are there any recommendations or explanations that the committee could make to remove or alleviate barriers to, or difficulties with, access identified in questions 2 and 3, or otherwise fulfil NICE's obligations to promote equality?

NA – recommendations have not changed.

5. Have the committee's considerations of equality issues been described in the final appraisal determination, and, if so, where?

No, because there were no equality issues identified for consideration.

**Approved by Associate Director (name):** .....Ross Dent.....

**Date:** 28/01/21

## Final appraisal determination 2

(following appeal)

1. Have any additional potential equality issues been raised during the consultation, and, if so, how has the committee addressed these?

No.

2. If the recommendations have changed after consultation, are there any recommendations that make it more difficult in practice for a specific group to access the technology compared with other groups? If so, what are the barriers to, or difficulties with, access for the specific group?

No.

3. If the recommendations have changed after consultation, is there potential for the recommendations to have an adverse impact on people with disabilities because of something that is a consequence of the disability?

No.

4. If the recommendations have changed after consultation, are there any recommendations or explanations that the committee could make to remove or alleviate barriers to, or difficulties with, access identified in questions 2 and 3, or otherwise fulfil NICE's obligations to promote equality?

No.

5. Have the committee's considerations of equality issues been described in the final appraisal determination, and, if so, where?

No, because there were no equality issues identified for consideration.
